SLIMMING FROCK WINS ADMIRATION WHEREVER YOU WEAR IT!

PATTERN 4295 BY ANNE ADAMS "Charming" is just the word for this lovely, slender-line frock! For whoever wears Pattern 4295, will appear slim, young, and pretty in its graceful flatters! What could equal the appeal of the deep V, filled in by a trim vest that's livened by three gay buttons? Then, too, you've fascinating choice of three different length sleeves! Anne Adams needn't tell you that the clever up-rising skirt-yoke, cut in one with the neat panel, is the latest thing in the fashion world, and this feature makes you look inches taller! Wherever you wear this frock, you're sure to be the center of admiring glances, and no one will ever guess how easily you made it. Choose monotone crepe, synthetic silk and heavy georgette.
