MOTOR MANIA

By BARNEY CLARK

More B. Clark sees of this over-the-hill business, the better he likes it. Nothing on the nerves, as he can say, and it is reputed to be soothing to the motor and on the pocket.

One of the neatest demonstrations of the over-drive principle is manifest in the new Studebaker President.

After a long drive, the Studebaker stays in the gear, but runs in free-wheeling fashion along when the throttle is released.

Boost the car over 45, lift your foot for a second and—click—it automatically shifts into over-drive.

The motor, quiet anyway, sinks down to a purr as its r.p.m. drops a third. All effort seems to go out of its straining and it arrows down the road as if a giant hand were pushing it.

Thousands of people here in Eugene and vicinity are now "Singing the Praises" of VAN-TAGE. This is the "Amazing Mixture of Nature's Roots and Herbs and Other Splendid Medicinal Agents," now being introduced to crowds daily in this city here in Eugene, at Stevenson's, Inc., Store No. 3, 1016 Willamette.

Mrs. A. J. Foster, of Route 2, Salem, Ore., is one of the most enthusiastic endorsers of Van-Tage in this section. Mrs. Foster has lived here for 10 years. She is widely-known and very popular, with many friends throughout this whole region. Let her tell you what Van-Tage can really do. Mrs. Foster says:

Unbearable Pains Almost Ruined Her Life! "For 30 years I had suffered terribly due to upset stomach, torpid liver and ailing kidneys. During the last year the pain had become almost unbearable. I couldn't eat a thing because nothing agreed with me. Every time I tried to eat, the food would sour in my stomach and I had horrible gas pains and belching. I had such a heavy feeling in my stomach that it felt as if the kitchen range was on my stomach. I would blot until I was in UTTER MISERY. I was continually nauseated. I could not even drink water without pain and vomiting. When I went to bed I had to sit up to belch to relieve the gas, or the pain was unbearable. I was always tired out and whenever I stood up I would get so dizzy that I would have to sit down again. Gas would press on my intestines and bother me for HOURS AT A TIME! I lost over 8 pounds in weight. I had terrible sharp pains in the back and a dull, aching feeling in the kidney region. There was simply no sleep for me and I could not rest. I had to get up 3 or 4 times every night to relieve my kidneys. My tongue had a horridly-tasting coating on it and I was painfully constipated all the time.

Now Praises Remarkable Van-Tage Relief! "I must have tried every kind of medicine and treatment, but nothing

helped me or even gave temporary relief. Then I read about Van-Tage and decided to give it a try. Now I am in good health FOR THE FIRST TIME IN THIRTY YEARS! I eat anything and everything and it agrees with me. No more sour stomach or vomiting. No more gas pains or belching any more, and the heavy feeling is gone from my stomach. I have gained weight. No more sharp pains in back and that dull ache in the kidney region is gone. I never tire, and sleep like a child. I never have to get up at night to relieve my kidneys any more. The horrible coating is gone from my tongue and constipation never bothers me. If I had that old trouble again and had to pay \$25 a bottle for Van-Tage I would do it gladly rather than be without that wonderful medicine. When you have been in agony and misery as I was for so many years and find real relief, it is worth more than that. I cannot praise Van-Tage too highly and advise others who suffer as I did to get relief like I did!"

Over 30 Ingredients in This Great Compound. VAN-TAGE contains over 30 ingredients, including 21 Great Herbs. It invigorates bowel, stomach, liver and kidney action as a cathartic, laxative, cholagogue and diuretic, so that daily people write us they feel different all over. The price of this remarkable compound is reasonable, due to the immense volume in which it sells. So don't hesitate. Get Van-Tage—TODAY!

VAN-TAGE is now being introduced to crowds daily at Stevenson's, Inc., Store No. 3, 1016 Willamette, Eugene.

CITY FEDERATION REPORTS MEETING

The City Federation of Women's Organizations held its meeting, Friday, at the Osburn hotel. Nine clubs were represented.

Mrs. Belle Lydyck talked to the group on what the legislature is doing, discussing the social security, the labor bill, higher education, unfair competition, and gambling.

At the business session, a report was given on the home products dinner held in October, showing a balance of \$68.89, which will be divided between three projects, the Doernbecher hospital fund, the scholarship fund, and the clubhouse project.

The group voted to have a food sale at the card party to be given at some future date by the Catholic Daughters of America for the benefit of the St. Agnes baby home in Portland.

The federation voted support of the Doernbecher hospital bill now in the legislature.

For the March meeting of the federation, Dr. E. L. Gardiner, county health officer, is to talk to the group on the health certificate plan for food handlers.

Two invitations have been extended to the federation by club groups. The Eastside and Central W.C.T.U. groups have invited the federation to a tea to be given March 4 honoring Mrs. N. E. Compton, county W. C. T. U. president, the tea to be at the home of Mrs. T. H. Garrett. The Women's Faculty club of the University of Oregon has invited the federation to its tea for townswomen on March 10.

Well Known Pioneer Of Harrisburg Dies. HARRISBURG, Feb. 20.—(Special)—The ranks of the few remaining real pioneers of this locality were thinned by one more, Saturday, in the death of Mrs. Rachel Nicholson.

Mrs. Nicholson was born in St. Joseph, Missouri, March 14, 1858, the daughter of the late Mr. and Mrs. John Fitchell. When she was six years old she came by ox team with her parents to Oregon and had lived in this vicinity ever since. She married Walter C. Nicholson, Jan. 1, 1878. Mrs. Nicholson had made her home on a farm north of Harrisburg since 1880. She was a member of the Methodist church, South of the Reekah lodge, of the Patriarchs Millant auxiliary, and of the Grange.

Surviving are three sons, Lemuel B. Nicholson, Oliver T. Nicholson, Walker C. Nicholson, two daughters, Mrs. Pearl Simon, and Miss Anita Nicholson, all of Harrisburg.

Funeral services likely will be held Tuesday.

DR. NORTON JOINS STAFF AT HOSPITAL

Modern and complete offices have been built for the eye, ear, nose, and throat department on the second floor of the Eugene hospital, announces Marvin T. Warlick, hospital manager. Instruments and equipment together with operating rooms are of the latest design.

Co-incident with the announcement regarding the department, it is announced that Dr. Henry H. Norton has joined the hospital staff, specializing in plastic surgery and eye, ear, nose, and throat work. He is the son of Dr. A. H. Norton, member of the hospital staff for several years.

Dr. and Mrs. Henry A. Norton returned recently from Europe to make their home in Eugene. Dr. Norton is a graduate of the University of Oregon and the University of Oregon medical school. He served his internship at Multnomah and Doernbecher hospitals, Portland. He served the Stanford university hospital for two years as assistant resident surgeon and resident surgeon in orthopedic surgery and plastic surgery. On completion of this work he went to Boston as resident surgeon at the Harvard children's hospital, then went to Europe for further study, particularly in Vienna and London. On returning to this country he visited in leading American city clinics, New York, Baltimore, Philadelphia, and St. Louis.

Mrs. Norton is the daughter of Mrs. Ella T. Edmundson. She also is a graduate of the university and served as secretary of the campus Y. W. C. A. for three years. Dr. and Mrs.

Norton reside at 494 Twelfth avenue west.
