ender, Aching, Swollen Feet
Every woman can protect her family from common constipation by careful menu planning. Often the cause of illness from constipation is lack of "bulk" in the diet.

Every woman can protect her family from common constipation by careful menu planning. Often the cause of illness from constipation is lack of "bulk" in the diet.
Kellogg's ALL-BRAN supplies this "bulk" in generous quantity. You can use ALL-BRAN in so many delightful ways. Add ready-to-eat cereal with milk or cream, fruits or honey added. Or make delicious bran muffins and breads—put it into griddle cakes, salads or soups, or over other cereals. Just be sure each member of your family gets two tablespoonsful every day—and forget the illness caused by constipation. Serve three times daily, in severe cases. You can also forget pills and drugs that nobody likes to take—and that so often fail to give the dose is constantly increased. Kellogg's ALL-BRAN also supplies vitamin B to help tone the intestines, and iron for the blood. Sold by all grocers. Made and guaranteed by Kellogg in Battle Creek.

TOPNOTCH RADIO BAND WILL PLAY

Another of radio's topnotch orchestras will be heard in Eugene when Station KORE presents the music of Gus Haenchen next Wednesday, at 9:00 p. m. in the new summer series of "musical moments" revues.

Haenchen, probably the busiest maestro in radio, will have with him the famous Songsmith Quartet, two leading singers as guests, and Graham McNamee as the announcer.

A different pair of guest stars will be heard on each program in the new series, which will run throughout the summer. Pat McCarty and Phil Ducey are scheduled for the initial broadcast, followed by Irene Beasley and Ralph Kirby. Later programs will present Ray Heatherton, singing star of the current Broadway production, "Babes in Arms," Benay Venuta, Mary Small, Jane Froman and many others. Each program will feature the rhythmic harmony of the Songsmiths. "Musical Moments, Revue" a presentation of local Chevrolet dealers, is broadcast over KORE each Wednesday and Friday at 9:00 p. m. It is the most widely heard program on the air, being presented over a total of nearly 400 stations through the facilities of the World Broadcasting System.
