GANG NOTES
A bad weather, isn't it? I just had a little crack in about the other and I thought I might as well get off my mind (yes mind) and now and then we won't be with it all afternoon.

I see that our friend Zolzie Volchok has the starting of a pretty new beard, and I guess he's just the boy that can grow one. He looks pretty flashy going around town with that ten gallon hat and that flashy red shirt of his. We'll have to have him come to the theatre some Saturday and let you all see what he looks like.

R. G. N.
Well, gang, another big show this week and this time we will start out with something that is bigger and better than we have ever had before. On the stage we will have "Bells Hawaiian Folies" and believe me that is something that you just can't afford to miss. Just wait till you see what we are going to have on the screen, instead of a serial we are going to have several extra cartoons and the feature this week will be a thrilling mystery story, "The Thirteenth Chair" with Madge Evans, Lewis Stone, Elissa Landi, and many other stars.

R. G. N.
It looks like a big time for everybody so come on down and get in on it. I'll see you all tomorrow at one o'clock.

Our Hollywood movie doll contest ended in fine fashion with Florence Price winning the big Shirley Temple Rangerette doll which was the grand prize.

ALL STEEL and TWO YARDS WIDE

There's a lot more in this picture than meets the eye, though the eye has plenty to sparkle about in the stunning style of this spirited Buick car.

What you don't see here is the lift that's yours when you touch off the flashing power of Buick's valve-in-head straight-eight engine and go streaming off across the map.

What you don't see is the solid, steady feel of Buick—the firm stability that holds you on the line without weave or sway or wander on straightaways or on the curves.

What you don't see is the assurance you'll know once you step on Buick's tip-toe brakes and see how surely and safely they make you master of its power.

We can't picture here the security that's yours in a body of steel-fused-to-steel—with floor, roof, side panels, cowl all welded into one stout unit of protective metal.

And only time can tell you how big is your money's worth in Buick—all steel and two yards wide, a big package that's your one best bet of the field when you add the superb action that gives its metals life.

All we can do is show you how a Buick looks—and handsome as this gallant traveler is, remind you that its good looks are literally the least of what it has to offer. Go try a Buick now!

award for the entire contest. Many other members also won dolls in this contest.

POETS CORNER
Pity the poor judges! In weather like this that is constantly changing from good to bad and from bad to good so fast that you don't know whether to wear a bathing suit or an over coat, these poor judges had to judge over 200 poems about the weather. The first four prize winners' poems are listed below.

Eugene Weather
Of all the places in this state
To me there's none so dear
As Eugene, whose grand climate
Is nice all through the year.
You do not suffer from the heat
Or shiver from the cold,
I hope I live in Eugene
Until I grow real old.

The Weather Man
He's popular in every town
You hear his name for miles around
And where you are, he'll always be
The weather man's name you see.
Folks talk about him all the time
You ought to hear the fault they find
No matter what the world may say
He keeps on serving them each day.

What's The Weather?
The weather may be gray or sunny.
But this is one thing I know:
If I have on me any money
To the "Rex Gang" I go.
No matter what the weather,
Whether rain or shine,
We'll always go to the "Rex Gang"
And have a good old time.

This Freakish Springtime
First comes the sunny Springtime
Then comes a day of rain,
Then comes a day like wintertime
Darn this dog-goned sun and rain again.
Then we have showers and cold winds blow,
Get ready again to plant garden but can't even sew,
Bring out the seed again and think we are set,
Just get started to plant, and oh boy, we get wet.

NEW MEMBERS
What a pleasure it is to welcome new members to our club every week but if they keep on coming in the way they have been I'll have to get somebody to help me do the welcoming. The number of members in the club is now very near the two thousand.

Recipe for Refreshment
For real refreshment reach for a "Steinie" Brown Bottle of Schlitz Beer. Brewed to mellow-ripe perfection under Precise Enzyme Control... Schlitz brings you winter and summer uniform deliciousness.

mark and we would like to see it go to the three thousand mark before school starts again next fall. This week we welcome to the club, Norma Lamoreaux, Mary Ellen Oshorne, Dorothy Clingenspeel, Loretta Smith, Esther Douglas, Eugene Smith, Lella Smith, Vernetta Smith, Phyllis Falk, Lois Swindall, Jimmy Hanns and Shirley Humphrey.

We hope that all these new members will bring another new member with them next week so that all the kids in town will be able to enjoy the fun that we have at our regular meetings every Saturday afternoon.

DANCE REVUE TONIGHT
Tonight at eight-thirty o'clock, Miss Dorothy Meyers of Eugene will present thirty-five of her most talented students in a dance revue on the stage of the Rex theatre. These Kiddies are of all ages and many group numbers and specialty numbers under the able direction of Miss Meyers promise to give entertainment that will be of professional caliber.

Miss Meyers was a student of Mr. Ed Cheney of Portland, who has taught dancing in several of the famous schools of New York City and has also appeared in several Broadway Musical Comedies, including Ed Wynn's "Laugh Parade." Mr. Cheney at one time was dance director for Fanchon Marco shows.

On the screen with tonight's revue will be Kay Francis in "Take My Heart" and "Sinner Take All." There will be no advance in prices.
