LANE 4-H'ERS ARE HIGH IN CONTESTS

One hundred and five Lane county Four-H members returned to their homes Friday from the Four-H summer school in Corvallis with a goodly share of the awards under their belts.

A Lane boy from the Willakenzie district, Gerald Calef, took first place in the stock-judging contest, with Alvin Dugan, London, and Clifford Price, Marcola, tying for second. Fourth place in stock-judging went to Dick Cauthorn, of Willagillespie.

Frances Calef, sister of Gerald, tied for first place in cookery, and Lane members were well up with the leaders in room improvement. In this section Jacqueline Morton, London, placed in the first group, Geraldine Banton, London, in the second group, Alberta Brown, Bethel, in the third group, and Lovelle Abeen, London, in the fourth group.

The summer school, according to R. C. Kuehner, Lane Four-H leader, was "very successful—one of the best we have ever had." He said that 1700 youngsters attended the Corvallis session.

By 1937 Tests OF THE AMERICAN AUTOMOBILE ASSOCIATION CONTEST BOARD (Washington, D. C.) . . . .

STANDARD GASOLINE IS Unsurpassed

"RESULTS OF EXTENSIVE TESTS conducted by the Contest Board of the American Automobile Association on the nine Non-Premium Gasolines leading in sales volume in the Pacific Coast area substantiate the statement of the Standard Oil Company of California that Standard Gasoline is Unsurpassed."

AMERICAN AUTOMOBILE ASSOCIATION CONTEST BOARD
WASHINGTON, D. C.

TO Standard Gasoline goes this new high distinction — Certified Unsurpassed.

This finding speaks for itself. It is the official report of the A.A.A. Contest Board, Washington, D. C. — the nationally recognized authority on automotive performance of every sort.

Year after year Standard Gasoline *is* unsurpassed—the ideal motor fuel for your car. And—you can depend on it—Standard will be *kept* unsurpassed.

Our laboratories are continuously testing and comparing the respective merits of Standard against the other leading gasolines on the market. One by one they are checked against the constantly changing requirements of the new motors as well. The big purpose of all this is to see that Standard *is* unsurpassed and *remains* so!

You now have additional proof—*Certified* by the American Automobile Assocication Contest Board. You'll find still more proof in every gallon of Standard Gasoline Unsurpassed. Try a tankful!
