Everett Fields went to Brownsville to spend the week-end holidays with his grandparents.

Three and a half tons of fresh potatoes are required to make a ton of dried potatoes, due to the high water content.

IF YOU DECIDE TO Buy a Car ON THE INSTALLMENT SALES PLAN

● We shall be glad to assist you in arranging your insurance and automobile financing through this Agency and a local bank. Such a transaction has the following advantages:

1. You are a cash purchaser to the Dealer.
2. The cost is no more and usually represents a saving.
3. All your dealings are local with persons whom you know.

● Our Agency is glad to render personal and prompt service to you in the event of claims under the policy and this personal service is valuable to you in times of emergency. If your insurance and automobile contract are handled by an outside organization you lose that necessary personal service and you may find it difficult to secure the proper attention in the event of any loss or damage to your car—and delays in time of loss are dangerous and costly.

● WE ARE IN THE INSURANCE BUSINESS

KNOCKOUT DEAL TO CLIMBING COSTS BY GOODYEAR'S NEW SURPRISE TIRE "R-1"

RIGHT ON THE NOSE! New "R-1" is built-to-order for millions who want tires with real nation-wide reputation — THE leading make — at the price they're used to paying!

Rubber Industry's Leader Meets Challenge of Rising Prices with Startling New Product that Hits Value Bull's-Eye for Millions!

—is based on the principles of long-wearing economy, safe going and super-mileage learned in building more than 23,000,000 Pathfinders—and "G-3" All-Weather tires, most famous in the world!

You'll get a thrill out of the size and brawn and beauty of the new "R-1." Lots of "beef" for more mileage—12% more rubber in the tread. Sure-footed on the turns—because shoulders are higher and broader. More traction—more road-contact—because the tread's flatter and wider.

HERE'S something done about "higher prices"—while millions of car-owners stand up and cheer! Labor is up—so are materials and all kinds of production costs—and that's no secret.

But Goodyear—greatest tire-maker in the world—has been fighting and working to solve that problem for you. With brilliant success, as these facts show!

At the first real threat of rising costs, Goodyear went to work—using all the resources, facilities and experience that have made Goodyear the greatest name in rubber. Brains and ingenuity went into that job—won with a knockout of a new tire, AT THE PRICE YOU'RE USED TO PAYING!

Biggest tire-thrill in years!

This husky new wear-defying big fellow—the "R-1"

GOOD YEAR

MORE PEOPLE RIDE ON GOODYEAR TIRES THAN ON ANY OTHER MAKE

LOOK WHAT YOUR MONEY BUYS IN GREAT "R-1"!

Here are some of the safe-mileage, big-value features which you get at this new low price because Goodyear facilities and experience have no equals in the whole tire industry:

- FLATTER, WIDER TREAD gives you more road-contact, more traction
- 12% MORE RUBBER IN TREAD gives you longer wear, greater mileage
- HIGHER, BROADER SHOULDERS give you more "hold" on curves
- CENTER TRACTION gives you the Goodyear Margin of Safety
- SUPERTWIST CORD IN EVERY PLY gives you maximum blowout protection
- HANDSOME, STREAM-LINED SIDEWALLS give your car smart modern looks

Remember—THE CHEAPEST THING ON YOUR CAR IS THE BEST TIRES YOU CAN BUY!
