IT'S SWELL TO FEEL SWELL!

To guard your health demand FRESH cigarettes

They BOTH feel swell... Young Miss Mary Perry of Cleveland—old Mr. W. C. Perry of Indianapolis—granddaughter and grandfather. Both say: "It's swell to feel swell! O.G.'s are easier on throat and nerves!"

YOU CAN'T BUY A STALE OLD GOLD

"Mount just as well smoke a parcel of 'em!" "Grandpa used to grumble, whenever I lit up a cigarette."

But he quit being pernickety, the minute he tried one of my Old Golds. "I got to admit," he confessed, "this here cigarette is fresh as tasty as berries an' cream! Fact is... I like it!"

So will you!... Old Golds are tasty because the prize crop tobaccos, blended in them, give these cigarettes an appealing double-mellow

flavor all their own! And Old Golds are fresh, because every bit of their rich flavor and fragrance is guarded from dryness, dust and dampness, by an exclusive double Cellophane package. Protected by an EXTRA jacket of moisture-proof Cellophane, two jackets instead of one... Old Golds remain delightfully and healthfully FRESH despite the most trying July weather.
