## MAKE THIS MODEL AT HOME FROCK COMBINES SLENDERNESS AND CHARM

PATTERN 4384 BY ANNE ADAMS

There's such a clever combination of charm and youthful dignity in this slim-line frock—that you'll find it a real necessity for your "at home" wardrobe! Topping its bodice are a trim yoke, and flared sleeves, while a flattering surplus line contributes a world of flattery. And don't you like the dainty, feminine note that's added by the narrow, crisp frill? Beginner and experienced seamstress alike will find it easy fun to stitch up Pattern 4384, for this model boasts but few, simple pattern pieces. Ideal in synthetic.

Pattern 4384 is available in misses' and women's sizes 16, 18, 20, 24, 30, 36, 40, 42, 44 and 46. Size 36 takes 3 1/2 yards 36 inch fabric, and 3/4 yard cuffing. Illustrated step-by-step sewing instructions included.

Send FIFTEEN CENTS (15c) in coin or stamps (coins preferred) for this Anne Adams pattern. Write plainly SIZE, NAME, ADDRESS and STYLE NUMBER.

Make a "hit!" Order your copy of the NEW ANNE ADAMS PATTERN BOOK, and stitch up your own Summer "success" frocks! Choose trim sportsters, lovely dressup flatterers, cherry house frocks, and dainty undies! Gay, well-wearing toggers for toddlers and grown-ups! Real slenderness models! See what's what in latest fabrics—accessories—beauty hints! BOOK FIFTEEN CENTS OR PATTERN FIFTEEN CENTS, OR TWENTY-FIVE CENTS FOR BOTH WHEN ORDERED TOGETHER.

## 3,000 Minnesota U. Graduates in Lakes

**DULUTH, Minn., July 21.**—Swimming around somewhere in Northern Minnesota lake are 3,000 wall-eye pike possessing "degrees" from the University of Minnesota.

The fish are wearing tin, waterproof plates, showing they attended the university's school for fish, conducted recently near Lake Winnibigoshish.

And the fish didn't learn a thing—not even how not to get caught, but they are expected to teach naturalists how far pike travel and disclose their ultimate fate.

Prof. Samuel C. Eddy, aided by the state game and fish division and the U. S. forestry service, locked narrow metal strips, stamped "U. of Minn." to the jaws of 3,000 pike. Anglers catching the fish so-marked are asked to communicate with Eddy.

Female fish were excluded from the school. Males were lured to class and tagged.
