STUDEBAKER'S LOW PRICE TAG GIVES YOU!

FROM the tailoring of the upholstery to the paint finish twelve coats deep, every detail of the 1937 Studebaker gets a full measure of the painstaking care for which Studebaker is world famous.

It's the world's first car with doors that click lightly, tightly and silently! It's the year's standout car in restful riding and simple efficient ventilation! And with

its built-in Fram oil cleaner and automatic overdrive, optional at slight cost, it delivers the gas and oil economy of a lowest priced car!

But see this Studebaker and drive it. Try out the automatic hill holder—and the dual range steering that halves the turning effort of parking. Very possibly the value of your present car will be all the down payment you need.

SINCE 1856, when Henry Weinhard first produced his fine beer in the 10-barrel brew kettle shown above, the Blitz-Weinhard Company has been keeping pace with the constant growth and development of the Pacific Northwest. In contrast is pictured the huge 15,000-gallon brew kettle in use today, the largest brew kettle west of St. Louis. The above scene shows the addition of Northwest hops to a brew. Through 81 years of steady growth of this modern brewery, the Blitz-Weinhard Company has adhered rigidly to the principles of its founder: FINE BEER, CAREFULLY BREWED. Since 1856, this Northwest Beer has been made from Northwest products, for Northwest people. Scenes below illustrate cleanliness and care with which Blitz-Weinhard Beer is made. Always a refreshing thirst-quencher, Blitz-Weinhard Beer is available on draft or in Steinies at better dealers everywhere throughout the Northwest. Order it by the case today.
