VALLEY'S SUPPORT VITAL TO PROJECT

SPRINGFIELD, Aug. 6.—(Special)—Stressing the need of support of the people of the Willamette valley in the Willamette Valley Project, R. H. Kipp, executive secretary of the project committee, addressed the Springfield Lions club at a luncheon meeting Friday.

"We must fight for the thing we want, never accepting defeat," Mr. Kipp said, "especially in a program so just, so sound, so economical as the Willamette Valley Project."

Stating that there are congressmen who doubt that the people of the valley want the project, Mr. Kipp stressed the need of letters to congressmen. "We want more letters concerning the Willamette Valley Project on the congressmen's desks and in the congressmen's files than letters concerning any other thing," he said.

"There are no obstacles in the way of the success of the project except the people of the Willamette valley. They must convince the members of congress that this project is the most important thing." Mr. Kipp stated that Col. Milo P. Fox of the board of United States army engineers admitted that the project is "the finest" of those with which he has dealt.

Accompanying Mr. Kipp was O. D. Eby, Oregon City, vice-chairman of the project committee. Mr. Eby pointed out that if conditions were favorable, a flood the same as the one of 1891 could occur again. "The government is flood-minded now," Mr. Eby said, "and the flood control project should go through now. But we must get in and go after it."

H. Elmer Maxey, chairman of the Willamette valley flood control committee, said that "one-half of this project is a government obligation as the government receives 60 per cent of the water-shed affected by the project."

POLICE ATTEND FUNERAL

A number of the state police officers stationed at Eugene are planning to attend the funeral of Sergeant William H. Ellenburg, who died at Medford Thursday. The services will be held at Corvallis Saturday forenoon. Sergeant Ellenburg at one time was a member of the local state police force.

DRIVE ON PINBALL GETS NO SYMPATHY

SALEM, Aug. 6.—(AP)—District attorneys over the state indicated today thata they may give Assistant Attorney General Ralph L. Moody little support in his fight to wipe out pinball and marble games.

Moody said Chief Justice Henry J. Bean's dismissal of injunction proceedings brought by two Salem operators would be a virtual death blow to the devices. But other operators have indicated they would appeal to the supreme court for a ruling on whether the games are a violation of the lottery laws.

The district attorneys' office in Portland said something would be done to confiscate the machines. The circuit court in Portland has held that they can be operated for amusement only.

The Lane county district attorney said he was uncertain as to what action he would take. The county has banned them for more than a year, but the Eugene city officials, happy over license fees which the machines net for them, plan no action.

Moody said today thaat it would make no difference whether cities hold the machines legal so they can tax them, explaining that this would not hold water in a court fight.

County officials at Pendleton, La Grande and Roseburg indicated they plan no action for the present, while officials at Grants Pass admitted it looks like they may have to do something about it.

The district attorney's office at Klamath Falls said it expected to shut down the games if there is a statewide movement.

Allen, Caufield in Race For Demo Post

PORTLAND, Aug. 6.—(AP)—Political "kingmakers" today mentioned Jack E. Allen of Pendleton and Jack Caufield of Tillamook as likely successors to Claude E. McCulloch as state chairman of the democratic central committee.

Allen served in the senate and sought the democratic nomination for state treasurer in 1935. He was reported to have the support of one wing of the party organization.

SOFTBALL PLAYOFF SCHEDULED FRIDAY

Plans for the championship and consolation playoff of the Eugene Softball league were made Friday noon when board members and team managers met at Seymour's cafe.

The four top teams in the league standings will meet in a round-robin schedule and the bottom six clubs will play a single elimination tournament. Winners of the championship flight will represent Eugene in the state tournament at Salem later this month.

The opening schedule will match Rubenstein's and Triangle Lake in the championship game and Riggs' and Elks club in the consolation game Monday night.

Games will also be played Tuesday, Wednesday and Friday of next week, and Monday and Tuesday of the following week. Consolation games, limited to five innings or one and one-quarter hour time limit, will be played at 8 p. m. with the nine-inning championship clashes following.

All games will be played under the flood lights of Emerald field. There will be no advance in admission.

The championship schedule follows:

Monday—Rubenstein's vs. Triangle Lake.
Tuesday—Fenn's vs. Sunset Oil.
Wednesday — Rubenstein's vs. Fenn's.
Friday—Triangle v. Sunset Oil.
Monday—Rubenstein's vs. Sunset Oil.
Tuesday—Triangle vs. Fenn's.
Consolation games will be:
Monday——Riggs' vs. Elks.
Tuesday — Hendershott's vs. Skole's.
Wednesday—Pengra vs. Monday winner.
Friday — Barlow's vs. Tuesday winner.
Monday—Final.

Thurston Votes For New School Gym

By the slim majority of three votes the people of Thurston union high school district Thursday night voted in favor of issuing $6000 bonds to finance a new gymnasium building on the school grounds.

The vote stood 71 for and 69 against, according to returns of the election received at the office of L. C. Moffitt, county superintendent, Friday.

CHINESE CLAIM IMPORTANT GAIN

decision by the commander of the 11th Japanese torpedo boat flotilla to declare "a state of emergency" and land his marines—600 miles up the Yangtze river and 600 miles south of the fighting zone in North China.

Women, Children Leave

Five hundred Japanese women and children, dispatches said, left in two river ships for Shanghai, at the mouth of the river.

Part of the Japanese anxiety seemed due to a blanket boycott slapped on them by student organizers who campaigned against purchase of "enemy" goods by Chinese.

It was said that merchants refused to sell rice, salt or gasoline to Japanese because they were "war" commodities, that banks cancelled forward exchange contracts with Japanese and asked all Japanese depositors to close their accounts.

Planes Scout Area

Japanese complained that three Chinese airplanes, presumably military ones, flew low over the Japanese concession as if recoinnoitering.

Japanese sources said the action was taken in view of indications that Chinese forces were surrounding the Japanese concession to launch an attack, and that the marines faced Chinese soldiers across the road dividing the concession from the city proper.
