We are always hearing how cheap used cars are in Los Angeles, or in Tuckville. What we are going to find out now is whether Lane County folks want used cars badly enough to pay part of what they are worth. But you will have to make up your minds folks, you'll have to decide before we come after August 15th it is all off. And it is right in the teeth of rising car prices too, so let us get together on the following carnival of bargains before we back out.
