STOCK MARKET WILTS; LITTLE DEMAND NOTED

NEW YORK, Aug. 11.—(AP)—A thin stock market wilted today as shares dropped fractions to a point or more. From the start, skimpy activity and the uneven behavior of stocks provided a yardstick of traders' lethargy and the dampening influence of pending legislation, brokers said. Believing the drab color of trading were false in some assessments, Sugar, Ralls, Aircraft and Specialties. Transactions approximated 350,000 shares.
