CANNING FRUIT

ELMIRA, Aug. 12.—(Special).—Elmira grange women are canning fruit for the Corvallis orphans home.

The culture plays a unique role in the world of Nature. Due to its repellentness, and the method by which it secures a living, the bird is detested by those who do not realize its true value. Disease would run rampant in many countries of the world were it not for the vultures, which pick clean the bones of unburied dead.
