

BUCS ROAR BACK INTO LOOP RACE, CUBS FALTERING

By SID FEDER
(Associated Press Sports Writer)

The Bucs from Pittsburgh have suddenly become as hot as the weather. And, with the Cubs faltering, they're joining the Giants in making a strictly two-hitted brawl of it for the National League flag.

As things stood today, the Cubs were only two games in front of the galloping Giants, while the Pirates, in fourth place, and only half a game behind St. Louis, were some five games back of the New Yorkers.

The momentary breathing spell the Cubs enjoyed after Thursday's victory didn't last nearly long enough for them, for they dropped a 6-4 decision to the Reds last night in Cincinnati.

This setback, coupled with the Giants' 21-hit, 15-6 win over the Phillies, and the Pirates' 7-4 edge over the Cardinals on yesterday's bill, made it a horse from a different garage.

The Pirates' particular need at the moment is pitching prowess.

They've been coming back with the speed of a rubber check since they began their current drive 11 days ago. In that stretch, they've taken eight decisions in 11 games, relying strictly on a batting bombardment that has netted 126 hits, an average of better than 11 per game.

They were given their best pitching in a week yesterday, when Cy Blanton turned in a six-hitter, and fanned seven, in muffling the Cards although a 15-hit attack on the part of his mates didn't exactly do him any harm.

For the one day, however, the blast set off by the galloping Giants against the faltering Phillies topped everything in sight. Bill Terry's Terriers turned loose their biggest offensive of the season in running up 13 runs on 21 hits, despite the breaks that side-lined Dick Bartell with an ailing ankle, Clyde Castleman because of the heat and Dick Coffman with a spiked foot.

Paul Herriger personally accounted for the side-light decision over the Cubs by driving in five runs, thereby making the Chicago lead as slim as a redneck diet.

The Yankees stretched their American League margin to 12½ games when Bill Dickey's tenth-inning homer gave them an 8-7 edge over the Athletics.

The second-place Tigers received a thorough going over and lost to the Browns, 11-0. The Indians topped the White Sox, 7-0, on Earl Averill's homer. The Senators socked the Red Sox, 5-1, and the Bees boxed out the Brooklyn Dodgers 6-5.

CHINESE RAILWAY BOMBED BY JAPS

(CONTINUED FROM PAGE 1)

era roared across the city escorted by fast fighting planes.

The roar of bombs along the Shanghai-Nanking railway was continuing. Other Japanese squadrons attacked the Chinese lines in the Japanese area of the international settlement and appeared literally to be blowing the countryside to bits.

New fires broke out 300 yards northwest of the Hongkew district police station, inside the Japanese lines, presumably set by incendiary shells from Chinese batteries to the northwestward.

One big fire was blazing north of the Hongkew branch of the big Czech Bata Shoe Co. Another started in the rear of the British-owned Astor House hotel, within 150 yards of the garden bridge entrance to the Anglo-American area of the settlement.

The Japanese still were supremely confident of ultimate victory and continued to insist that operations of their increasing land forces would force the beginning of a general Chinese retreat during the week-end.

Reports that the Japanese lines had been broken by Chinese in the Yangtsepo sector were disproved by a personal tour of this sector by United Press correspondents tonight.

The number of troops engaged on the Shanghai front tonight was estimated at around 250,000—about 150,000 of which are Chinese.

PADRES LENGTHEN LEAGUE ADVANTAGE

By THE ASSOCIATED PRESS

Thanks to the hitting of young Ted Williams, the San Diego Padres' leadership in the Pacific Coast league standings was increased to 3½ games today.

Williams poked out a homer in the eleventh inning to give the Padres a 7 to 6 win over the second place Sacramento Senators last night.

Los Angeles still clung to third place in the standings, by the slim margin of one game over the San Francisco Seals, despite a double-header drubbing by Seattle. The scores were 8 to 5 and 7 to 5.

Portland's timely hits off Walter Beck gave the Ducks a 4 to 1 victory over the San Francisco Missions, while Oakland's Jack La Rocca emerged with a 1 to 0 pitching duel win over the Seals' veteran Sad Sam Gibson.

Williams was the big shot at Sacramento, where the fans on Thursday night saw Empire Jake Powell ranted and arrested on a charge of being drunk.

Powell failed to appear in police court yesterday in answer to the charge, thus forfeiting \$10 bail, and League President W. C. Tuttle said at Los Angeles the umpire was relieved of further duties for the offense. Tuttle said he would wait for the official report and, if it is true, Powell is through as an umpire in this league. "But to get back to Williams: Sent into last night's game in the ninth frame, he doubled with the bases full to send across two runs and tied up the score. His homer came on his next turn at the bat, in the eleventh frame.

Muller of Seattle cracked out a homer in the second game of the Indians' double triumph over Los Angeles.

E. X. Gallagher is president of the Santa Clara association and R. V. Rogers is secretary.

tion bill and sent it to conference. The house had passed it earlier in the amount of \$88,000,000.

The house worked late at a night session acting on nearly two private bills a minute and sustaining that speed for almost an hour.

The court bill defeated in the face of an unremitting White House battle in its behalf, was the most important of the Roosevelt requests that went unfiled. It broke the democratic party into warring groups that were pacified only on the surface by efforts to restore harmony.

Manila Shaken By Earthquake

Thousands of Manila's nearly 400,000 residents took temporary stations in parks, where they spent last night after two severe earthquakes rocked the city, toppled masonry, cracked buildings and plunged the metropolis into darkness.

For 376 American refugees who had just arrived from Shanghai, the quakes, 24 minutes apart late last night, were an added terror to the shot and shell through which they fled.

A vista of widespread damage was revealed with daylight, although there was no official estimates of the amount of damage. There were no fatalities reported from quake injuries.

Reports from outlying provinces indicated the damage was not confined to Manila.

FOREST HILLS, N. Y., Aug. 21.
(P)—America's tennis legends didn't have a worry in the world today as they went into the final four heats of their Wightman match against England.

Victorious in each of yesterday's three engagements, they needed only one more to make it official.

Alice Marble blonde San Francisco, and Helen Jacobs, flumping but game, equally deserved the plaudits for crushing England's hopes yesterday. Alice linked Mary Hardwick with a fine comeback, 4-6, 6-2, 6-4, and Alice Marble blonde San Francisco then teamed with Mrs. Sarah Palfrey Fabryan to smother the visitors opening doubles combination, Evelyn Dearman and Joan Ingram, 6-3, 6-2.

Helen, her left knee tightly bandaged, scored only one point, but she showed the sparse gallery of about 1000 the smartest tennis of the day in subduing Kay Stammers, 6-1, 4-6, 6-4.
