STORES FEATURING ECONOMY PROGRAM
W. J. Wachtman, local representative of Lever Bros. Manufacturers, has arranged a special economy program in several Eugene grocery and druggists this weekend, he announced Friday.
A feature of the event will be special prices on Lux, Lifebuoy, Rinso, Lux Toilet soap and Spry at many of the local stores.
"With 'economy' the watchword of the average housewife," Wachtman said, "this sale demonstrates the economy of buying nationally advertised merchandise. Economy buying does not mean purchasing below cost nor benefitting at someone else's loss."
"Genuine specials can be given by aggressive merchants, retaining a fair margin of profit and at the same time effecting a saving to the consumer. 'Specialized' items result in fast turn-over, working to the advantage of the manufacturer, wholesalers, retailer and consumer."
