

LIONS CLUB MEETS AT COTTAGE GROVE

COTTAGE GROVE, Oct. 8.—(Special)—The Lions club held its soon meeting and luncheon Thursday at the Cottage Grove hotel.

Damon Scott, president, was in charge. Bob Nelson entertained with piano selections and Mrs. Loren Schroeder played the piano for group singing.

Bill MacGibbon, president of the high school student body was a guest in order that the club may keep in contact with high school activities. He is a guest each week.

The Constellation club met Thursday at Masonic temple. Mrs. Ed Weise, Mrs. C. F. Hoskins and Mrs. C. S. Roberts were the hosts.

Presbyterian Group Is Planning Social

COTTAGE GROVE, Oct. 8.—(Special)—The annual experience social of the Ladies' aid society of Presbyterian church will meet Wednesday, October 13, at the church parlors.

The Neighbors of Woodcraft will have their regular meeting Wednesday evening at Odd Fellows temple and will entertain neighboring circles, Eugene, Creswell, Springfield, Waltherville, Yoncalla and Drain in honor of their eleventh birthday anniversary.

At Baldwin Home
The Needlecraft club met Wednesday with Mrs. Earl Baldwin for a 1:30 dessert and social afternoon. The group will meet next with Mrs. William Bartels at which time they will have their annual election of officers.

Mrs. W. L. Workman was hostess to the Scout Mothers club at her home Wednesday afternoon. H. B. Saltee, scout executive of Eugene was a guest and assisted in outlining a program. Plans were made for the winter scout program. Refreshments were served at the tea hour. The club will meet next with Mrs. W. A. Woodward at the home of Mrs. Stewart Carlson, the first Wednesday in November.

AT COTTAGE GROVE
COTTAGE GROVE, Oct. 8.—(Special)—William Thum received word Wednesday of the death of a sister, Mrs. William Miller at Happ, Texas.

Mrs. George Brumfield of Oakland, Calif., is visiting in Cottage Grove. She is a former resident. Mr. and Mrs. Van Allison and Mr. and Mrs. Knaffle Haines have returned from a hunting trip to Klamath Falls. Each family got a mule deer.

CONFERENCE SUNDAY
WALTHERVILLE, Oct. 8.—(Special)—The Waltherville Sunday school conference will be held next Sunday afternoon at Leaburg church and members of the Gideon society will be present for the main addresses of the day. Other special features will be on the program. Wilfred Frazee, president of the group, will preside.

Women's Club Plans Red Cross Campaign

JUNCTION CITY, Oct. 8.—(Special)—Junction City Women's club met Wednesday afternoon in the social rooms of the M. E. church with Mrs. Luella Ingram, vice president, presiding. The shelter committee reported on several locations for a club meeting place. It was decided to continue meeting in the social rooms of the church. Mrs. Domachofsky and Mrs. W. W. Hicks were named as a committee to arrange for a clothes drive as the police matron reports a number of calls for clothing for school children.

Drive Soon
It was voted to sponsor the Red Cross drive for this locality and Mrs. Mae Washburn was made chairman of that committee. A clean-up day at the park will be held soon, members will be informed as to the day.

Maxine Jensen entertained by singing. Mrs. Mae Washburn spoke on her recent visit to the Warm Springs Foundation in Georgia.

To County Meet
A number of the club members will attend the meeting of the County Federated clubs session to be held at Glenwood Friday. A communication was read from the National Society of Finger Print and a speaker on that subject for the meeting the third Wednesday in October.

Mrs. Ingram will name committees at the next meeting. Mrs. Domachofsky, Mrs. Thomas Nelson and Mrs. Spurgeon as hostesses served refreshments. Present were Mrs. T. G. Williams, Mrs. M. Nelson, Mrs. M. Jensen, Mrs. L. C. Larsen, Mrs. Fred Wright, Mrs. Anna Holmgren, Mrs. Mae Washburn, Mrs. Lednicki, Mrs. V. Thornton, Mrs. Halverson, Mrs. W.

W. Hicks, Mrs. Peter Skovbo, Mrs. Mrs. Nettle Davidson and Mrs. R. Jens Gribekov, Mrs. Edna Jensen, Rogers.

"Camay's gentle lather will
Glorify your Skin"

SAYS THIS CHARMING NEW JERSEY BRIDE

MAPLEWOOD, N. J.

Foolish to have skin that's "just average"—when having really lovely skin makes such a difference in good looks! Camay's gentle lather seems to glorify my skin—keeps it smooth and clear!

Sincerely,
(Signed) DIANA LEWIS
(Mrs. Salim L. Lewis)

September 2, 1937

WHEN the music starts to play and the dancing begins—you'll always notice men gather around the girl with the loveliest skin! "It happens at club dances time after time," says charming Mrs. Lewis. "And I always wonder why every girl doesn't have a lovely skin! It's so easy if you use Camay!"

A charming young bride with an active social life needs a beauty care that's effective, but that's simple, too. "I have no worries when I use Camay!" Mrs. Lewis tells you. "There's no worry about time, no worry about results. Camay always keeps skin smooth."

If you've had any worries about your beauty care, perhaps you don't know this: No soap has the same rich lather Camay has. In every cake are millions of tiny bubbles that were made to get skin clean. Camay removes grime and dirt from deep in the pores.

No beauty soap on the market today is gentler than Camay. Tests have been made against all well-known toilet soaps on every type of skin. And time after time Camay has come out on top—definitely, provably milder.

And though no other beauty soap is better than Camay, you'll find Camay very low in price. Why don't you buy half a dozen cakes today? You'll find what thousands of girls are saying is true—"Camay keeps skin lovely!"

Camay THE SOAP OF BEAUTIFUL WOMEN

In the City of TOMORROW

—you'll breeze
right over
cross-town traffic

"By 1960 express traffic will speed along at 50 miles an hour over Main Street," predicts Norman Bel Geddes, authority on future trends. "No stoplights . . . no intersections to delay you."

"Local traffic will travel on one-way Local Streets made wider by the elevation of sidewalks and elimination of parked cars. Parking and truck loading will be inside buildings."

"Pedestrians will use elevated sidewalks . . . shopping at the second-story level, crossing streets on bridges . . ."

**.but TODAY,
4 miles in 5 and
Stop and Go**

STOP for a streetcar . . . stop for a traffic light . . . 30 stops a day is the nation-wide average. And one stop can waste enough gasoline to drive you a third of a mile!

While traffic authorities are planning "the City of Tomorrow," Shell engineers have developed a fuel, Super-Shell, to meet today's driving problem TODAY.

They have found a way to rearrange the chemical structure of gasoline, actually to balance it.

Automotive engineers use the term "motor-digestible" to describe Super-Shell because at all motor speeds it is converted so QUICKLY, so COMPLETELY into power.

The regular use of Super-Shell will reduce your driving costs. There's a Shell dealer near you.

SUPER-SHELL
