Record Crowd Attends Thurston High Carnival

The annual carnival of the Thurston high school was staged Saturday evening, Nov. 13, with a record crowd in attendance. The evening opened with a one-act play, "Sophie From Sandysville," and between scenes Delano and Leo Fox sang a couple of duets, accompanied by the guitar.

After the play followed a noisy hour and a half of carnival hilarity. The booths were very attractively decorated with autumn leaves and pastel colored crepe paper. Prizes furnished very largely by the business houses of Eugene were attractively arranged at the counters in the back of booths.

Novelties purchased from a carnival house in Iowa appealed especially to the youngsters. The baseball and basketball throws attracted the men, while the girls and women flocked about the doll booth. A penny-drop booth attracted considerable attention. Darto and the fish pond also played their share. The Plummer orchestra furnished music for the dance that followed.

In all, the affair was pronounced a grand success and the student body now is out of debt, left them from last year, and has a bank account.

Those people to whom the high school wishes to express especial thanks are the following:

'CRASHING SOCIETY' STAGED AT LORANE

LORANE, Nov. 20.—(Special)—One of the high spots of the play, "Crashing Society," presented by the Lorane high school Girls' League on November 19 was Jane Kirk's interpretation of an English butler.

A new column has been added to the Lorane High Tattler. It is entitled, "Have You Read." The purpose of this column is to give the sources of good magazine articles so the students may become acquainted with various magazines.

The Lorane boys played the Elmira boys a practice game, Friday, Nov. 12. Both teams played good and the game had to extend over into an overtime period to decide the winner. Lorane scored eight points in the last three minutes to break a 21 to 21 tie and won by a score of 29 to 23.

On Monday, November 15, Mr. Godard, Lorane principal, called an assembly and presented the students with a pleasant surprise in the form of a broadcast. The broadcast was on the opening of the present session of congress.
