Orr Ties Meet Mark With a 9.5 Century

SEATTLE, May 21.—(AP)—It was a three-way fight today between Washington, Washington State and Oregon here in the finals of the northern division, Pacific Coast conference, track and field championships.

Oregon gained six places, Washington five and Oregon State and Montana two each in the four events in which heats were held. Idaho failed to land a place, although trying for nine.

Track followers expected new records to be set in today's broad jump, pole vault and sprint events.

Lee Orr, blazing W. S. C. sprinter who is a former Canadian Olympic runner, led the Cougars to victory yesterday and indicated he was razor sharp for today's sprints. He tied the meet record of 9.5 seconds in the 100-yard dash trials.

During the last 20 yards of the race he was looking over his shoulder sizing up the field. Mack Robinson, Oregon 1926 Olympic sprinter, and Jack Evich, Montana, both of whom held back a little yesterday, will give Orr a real battle in the dash.

Homer Beats Beavers, 4-3

Harvey Storey Hurt Sliding Into Third

By the Associated Press

Little Brooks Holder, San Francisco Seals' outfielder, rated as a mighty man at the bat today.

Holder came up in the ninth inning against Portland last night with the score tied 3-3; took a healthy swing at one of Bill Radonits' fast ones and cracked—the ball went sailing over the right field fence for a homer and the winning run.

Despite the 3-4 defeat Portland remained at the top of the Coast league's standings, by two full games.

San Diego climbed into second place, winning 4 to 2 over Oakland, while Hollywood, defeated 6 to 5 by Sacramento's Solons, slipped back to a tie for third with the Senators.

A Marchand and Hal Spindel of Seattle hit homers in the first inning, the latter with two on to start the scoring that gave the northern club a 7 to 3 win over Los Angeles.

Nearly 7,500 fans, who saw Holder paste the pill out of the yard to break up the game at Portland, also saw the night's "honor" player carried from the field.

Many of them had turned out to honor Harvey Storey, Forest Grove, Ore., boy, playing right field for the Seals. He connected for a single to drive in a run but was severely spiked in the knee-cap sliding into third a few minutes later and was taken to a hospital, where the injury was reported serious. He was snatched by his own spikes.

Larry Barton and Nick Cullop of Sacramento hit circuit clouts in aiding the Senators conquer Hollywood.

Six Wildcat errors combined with 11 hits off Hoyt for the Missionary victory. Karl Schneidmiller held the Oregonians to four safeties.

Mike Reser, Whitman center-fielder, hit the only homer of the game with one on.

The Missionaries play both Linfield and Willamette today.

Willamette previously defeated Linfield 12 to 8 to retain a slim chance for title honors.

Going into the final inning trailing by three runs, thanks to a seventh-inning homer by Linfield infielder Swensen with the bases loaded, the Bears cut loose with a seven-hit barrage.

Frosh Shellack Rooks, 9 to 0

CORVALLIS, May 21.—(AP)—Nine runs, concentrated in two big innings, gave the University of Oregon Freshmen baseball team a 9-0 victory over the Oregon State College Rooks today. It was the Rooks' third beating of the season by the Frosh.

Score: Frosh 9 9 0 Rooks 0 0 2 Igoe, Allegretto and Rathbun; Hufford; Miles and McLain, Carpenter.

tract No. 4, under which the athletic plant will be developed and directed. Mr. Bryan stated that the tract will be turned over for development on two conditions: (1) that the school district live up to their part of the bargain, which calls for expenditure of \$6,000 on the project; and (2) that the chamber of commerce athletic field committee successfully raise the \$6,000 which they pledged towards the project. The chamber group has approximately \$1,000 already on hand towards the field.

The Spencer Butte park project at the present time calls for little actual development on the huge peak looming to the south of the city. It was hoped that enough funds would be available in the park department to brush out several main pedestrian trails, from both east and west slopes, as well as one bridge path.

Idealistic plans, which call for the eventual linking of the athletic field with the Spencer Butte park by a large parkway extending south towards the butte, will have to wait for the present, Mr. Bryan intimated Saturday morning.

The athletic field project assures both Eugene and University high schools of a place where they both can play their home football games. Turfing of the University of Oregon gridiron tended to leave both high schools "out in the cold" as far as a place to play home games was concerned last fall and it was this situation which motivated the newly-passed proposal.

The Spencer Butte park proposal was the result of widespread agitation on the part of civic groups and clubs last fall when it was feared that the historic landmark which rears its peak to the south would be defaced by the woodman's axe.

BABY HELAINE COLAN, five-weeks-old victim of a rare optical cancer, is pictured above resting comfortably after surgeons had removed her left eye in a desperate effort to save her life and part of her sight. Torn by the dilemma of letting her daughter die or submit to the blinding operation, her parents, Dr. and Mrs. Herman Colan, of Chicago, left the decision to a jury of ten physicians and two rabbis. Since she bore the delicate ten-minute operation so successfully, her doctors are observing the baby closely in the hope that excision of the other eye will be unnecessary.
