Meet 'Sleep's Aide-de-Camp' —on the Cascade ★

Listen-in on Pullman Porter "JOHNNY" JOHNSON, about bedtime tonight on the *Cascade*, and you'll hear something like this:

"Your hatbox and extra bags are in the upper berth, Mam—just ring if you want them. . . . Here's another blanket, Sir—air-cooled car, you know. . . . I'll keep an eye on the little fellow, Lady—I've had a lot of experience with children. Been railroading since 1912. . . . You'll have to look out the window kinda early, Sonny—we pass Mount Shasta shortly after sun-up. . . . Just leave your shoes by your berth, Mister, I'll shine 'em bright as paint!" And so, on and on, until everyone has turned in and the faint, musical *clickety-click* of steel-on-steel is the only audible sound in the darkened car that speeds thru the night.

For 26 years Porter Johnson's duties have included that of valet, nurse, personal servant and general handy man, always at the service of his passengers. He's devoted to courtesy and his travelers' comfort, and in being so, is typical of the veteran Porters of the *Cascade*, the finest, fastest train between here and San Francisco. Here's the convenient schedule of the *Cascade*:

GORGEOUS and glamorous Dorothy Lamour, teamed again with dark and handsome Ray Milland, comes to the McDonald theatre Saturday in her most recent screen success, "Tropic Holiday." Also starred are Bob Burns and Martha Raye. Dorothy and Ray are seen above in an amorous scene taken from the picture.

Government Move Chills Optimism On Stock Market

NEW YORK July 21—(AP)—A fresh selling of amusement and utility stocks took the steam out of a noon rally in rails today and market leaders reduced or cancelled extreme gains running to 2 or more points at the close.

Further study of the government's action yesterday in filing anti-trust suits against the principal film companies, and the move of the S. E. C. to impose the "death sentence" clause of the federal utilities act on holding companies, apparently chilled Wall street's speculative ardor. Earlier, though, most analysts were of the opinion neither development would alter the main recovery course set by the market a month ago.

The first two hours of the proceedings resulted in a ragged performance all around. In the subsequent sprint, steels, motors, rubbers coppers and specialties were given the main play.

Transfers approximated 1,900,000 shares.
