will then go over the territory. Two other areas, south Willamette and Chula Vista, are also interested in being annexed, it was reported. Elections on these districts could be held at the same time according to the city attorney, although separate ballots would be necessary.

Davis Appointed

The appointment of Burton Davis to the city fire department was approved. He will replace Eugene Clink.

Purchase of a \$325 jack hammer, to replace one which was worn out in the installation of traffic lights on Willamette street, was approved. Payment will be made from a \$585.19 refund from the highway department for city aid in the traf-

fic light installation. The remainder of the payment will go to the general fund.

Official closing hours for city offices on Saturday will be 12 o'clock, the council decided in an ordinance cutting an hour off city employees' work day. In the past, offices have been open until 1 p. m. on Saturday.

A beer license issued to L. H. Williams of the Lawrence street grocery was transferred to the new owner, T. L. Lawhorn. City Attorney Calkins was given instruction to notify the owner of the building in the rear of 951 Broadway avenue west to begin wrecking. The council condemned the building.

Some Not Collected

A total of \$7,877.25 has been billed against water users for the sewage plant fees, it was reported to the council by the water board. Payments of \$6,477.95 of these fees has been made.

pay was not decided. The city attorney pointed out that the sewage plant would benefit the entire community.

Report on an inspection trip of three Washington sewage plants was made by A. A. Reid, chairman of the sewer committee. Mr. Reid said the committee profited by their trip in discovering mistakes that Seattle and Ellensburg had made.

Recreation Director Thomas W. Fisher was introduced to the council by Mr. Reid, head of the playground commission.

Complaints on the condition of blackberry vines in vacant lots were referred to the street department.

The city license on electrical dealers was discussed and criticism of the \$5 fee reported. The matter was referred to the judiciary committee. An amendment of the measure is probable.

analysis and then presented by it to the congress. The Oregon state department of Disabled American Veterans will thus take their legislation directly to congress, without putting it through the red-tape of passage by the national D. A. V. convention, where it has been previously side-tracked.

Highlight of the Tuesday morning session was the introduction of Loyd E. "Connie" Ireland, Washington state commander, D. A. V., who brought greetings and an invitation to the Washington state convention on June 18-21 at Vancouver.

He told of his state department activities, reporting the establishment of a new chapter at Everett, Washington, with 21 life memberships. Ireland advocated a budget system of financing state department matters.

Another outstanding speaker of the day was L. A. Williams, state commander of the Veterans of Foreign Wars, who discussed the war veterans' place in post-war society toward maintaining peace.

Past Department Commander, Faust of the Spanish War Veterans expressed his opinion that a home for Oregon veterans should be established in the state. Chapter reports were given by local commanders, and Commander Paul Thorlson of Salem received a citation for the Salem chapter for outstanding gain in membership.

Members of the D. A. V. auxiliary, under State Commander Mollie Dover, reconvened Tuesday morning to hear Dr. Paul Carter, head of the Veterans' facilities at Portland, tell of the work done by the auxiliary units.

Outstanding guests who were presented during the session were Mrs. E. P. Dorris, Eugene, mother of the convention chairman, Ben Dorris, and Mrs. Viola Page and Mrs. Nellie Hart, Eugene, of the Spanish War Veterans' auxiliary, who presented Mrs. Dover with a basket of flowers, and Mrs. Flora Huntley, Eugene unit commander with a corsage.

Mrs. Elizabeth Reynolds of Bend gave the Bend unit report, and Mrs. Gladys Lawton of Grants Pass gave the reports on the Americanization and registration committees.

Members of the Eugene auxiliary and their guests were entertained at tea on Monday afternoon when Mrs. Ben Dorris, wife of the convention chairman, played hostess to the delegates.

In the receiving line with Mrs. Dorris were Mrs. M. B. Huntley and Mrs. Lee Moore of Eugene; Mrs. E. P. Dorris and Mrs. H. L. Barrett poured and Mrs. Floyd E. Brown, Mrs. Ed Boehnke, and Mrs.

Kenneth Nielson assisted. Mrs. Mollie Dover, state commander, received her friends and convention delegates at the tea.

The veterans and the auxiliaries as well as Spanish War veterans and auxiliary, the American Legion drum corps, were escorted down Willamette street Monday night in a parade by the Eugene Radiators.

The Eugene Gleemen will sing for the delegates Tuesday night at 7:45, before the grand ball at the winter garden dance hall. Ladies of the Spanish American War auxiliary will entertain at a reception at the Osburn hotel from 7 to 9 o'clock.

Business of the convention will end on Wednesday with election of officers and final committee reports, to be topped off with a banquet on Wednesday night at 6:30 at the Moose hall.

building at Oregon State (\$33,000 of building fees and a \$27,000 grant), and an additional \$15,000 wing to the agricultural engineering building and a \$225,000 addition to the state college library.

Other business concerning the university included: The university was authorized to obtain a medical doctor for the physical education staff on a sharing arrangement with the Eugene school board.

Personnel adjustments include: University of Oregon—Appointment of Dr. Hugh B. Wood as professor of education, succeeding Dr. Nelson Bossing; temporary appointment of James L. C. Ford as assistant professor of journalism; appointment of William C. Hall as assistant director of municipal research, Portland office, succeeding Russell Barthell, granted leave of absence; salary adjustments for Clifford Stalsberg and Mrs. Una Clark, business office, as a result of increased duties following death of E. S. Tuttle, payroll clerk.

Accidental Gun Shot Injures Man's Leg

Claude Keene, accidentally shot in the left leg Sunday evening, was still confined to the Eugene hospital Tuesday. Police are not investigating the case since Mr. Keene claims that he shot himself by accident.

The gun belonged to Jack Webb, Wendling. The two were in a room in the McKenzie hotel when the shooting occurred.

stimulus to trade and competition in any event, the latter becoming a trifle pointed on occasion.

One shop featured dresses designed by Norman Hartnell, "the queen's own dressmaker." Another, nearby, displayed gowns like the queen's "by our own designer." A third offered "royalty red lipstick," while a fourth reached even higher for its inspiration and displayed dresses of "angel white."

Others presented "hose knitted in Canada in honor of the royal visit," jewels described as "symbols of empire," a perfume called "breath of English garden in the heart of a rose," and "quality merchandise from the empire of their Britannic majesties."

Apparently irked by all this deference to foreign royalty and foreign goods, one store displayed placards which read:

"Know all men by these play clothes that the nation Washington fathered rejoices in unbeatable sportswear. . . ."

Bank Reserves Must Be Blashed, Banker Tells Gearhart Delegates

GEARHART, June 13.—(P)—Accumulated reserves in American banks must be reduced, Dr. H. H. Preston, dean of the University of Washington's school of business economics, told the 34th annual Oregon Bankers' association convention yesterday.

The reserves, he said, amounted to 10 billion dollars, or 4 1/2 billions more than were required by the federal reserve act. The tremendous amount, he said, was explained by the exodus of money from war-menaced Europe.

He advocated increase of reserve requirements for banks.

Klamath Falls Pool Halls, Beer Dens Open

KLAMATH FALLS, June 13.—(P)—Klamath Falls poolhalls and beer parlors reopened their doors this morning after a three-day shutdown designed as a "protest" against gambling charges made by Circuit Judge Edward B. Ashurst and to "prove their operations legitimate and of vital necessity" to the community.
