

Cincinnati Clings To Lead Over Cards

(CONTINUED FROM PAGE 10)

York Giants, 4-2, and saw their last hope of repeating their 1938 pennant parade go glimmering. Carl Hubbell's hex put them ten games behind the leaders with only nine left to play.

This is the standing:

	W	L	Kind to Play
Cincinnati	87	54	13
St. Louis	85	57	2 1/2
Chicago	79	66	10
Brooklyn	74	65	12 1/2
1st One game with New York cancelled.			

The New York Yankees, their American league flag safely stowed away, showed no signs of letting down as they walloped the Chicago White Sox, 8-4, for Steve Sundra's 11th victory against no defeats.

Coupled with Cleveland's 7-2 triumph at Washington, this dropped the pale horse into fourth place. The St. Louis Browns meanwhile undermined the Boston Red Sox's second-place position with an 11-8 victory in 16 innings, the longest

game of the year in the American league. Bob Harris worked nine innings in relief for the tail-enders with four-hit hurling and his teammates helped with a three-run outburst off Fritz Ostermuller as gathering darkness threatened to end the game.

The Philadelphia Athletics edged out the Detroit Tigers, 5-4, in another marathon which ended in the 13th inning when Catcher Frank Hayes tripped and raced home on an infield grounder.

Boston's Bees were rained out at Pittsburgh.

Hollingbery Names Frank Oliver Fullback

PULLMAN, Wash., Sept. 21.—Coach Babe Hollingbery was ready today to write the name of a sophomore into the Washington State college starting lineup for the Saturday football opener with Gonzaga university.

The rookie was tow-headed Frank Oliver of Kennewick, who has been a standout at right halfback in the early seasons. Oliver was one of the "lost battalion" of sophomores who were ineligible last season.

Doctors say your kidneys contain 15 miles of tiny tubes or filters which help to purify the blood and keep you healthy. Kidneys remove excess acids and poisons from your blood. They help most people pass about 3 pints a day.

When disorder of kidney function permits poisons to remain in your blood, it may cause nagging backache, rheumatic pains, leg pains, loss of energy, getting up at night, swelling, puffiness under the eyes, headache and dizziness. Frequent or scanty passages with stinging and burning sometimes show there is something wrong with your kidneys or bladder.

Don't wait! Ask your druggist for Doan's Pills, used successfully by millions for over 40 years. They give happy relief and will help the 15 miles of kidney tubes flush out poisons waste from your blood. Get Doan's Pills.
