### OVERHEARD AT TREASURE ISLAND:

"I never realized the importance of washing green coffee"

Every day coffee-lovers through Hills Bros. Exposition Theatre at Treasure Island, Golden Gate International Exposition, to see "Behind the Cup," a sound picture in Cinecolor.

"NEVER REALIZED THE IMPORTANCE OF WASHING GREEN COFFEE." is the comment of many guests at Hills Bros. Exposition Theatre. Careful washing of green coffee is of vital importance to coffee quality as well as an ideal method of removing the jelly-like substance that completely surrounds each bean. Exact care like this is in evidence throughout the entire production of Hills Bros. Coffee. Those who use it say, "Now that's what I call good coffee!"
