There's a Good Reason You're Constipated!

When there's something wrong with you, the first rule is: get at the cause. If you are constipated, don't endure it first and cure it afterward. Find out what's giving you the trouble.

Chances are it's simple if you eat the super-refined foods most people do: meat, white bread, potatoes. It's likely you don't get enough "bulk." And "bulk" doesn't mean a lot of food. It's a kind of food that isn't consumed in the body, but leaves a soft "bulky" mass in the intestines and helps a bowel movement.

If this is your trouble, you should eat a natural "bulk" producing food—such as one as the crunchy, toasted, ready-to-eat cereal—Kellogg's All-Bran. All-Bran is the ounce of prevention that's worth a pound of emergency relief. Eat it every day, drink plenty of water, and "Join the Regulars." All-Bran is made by Kellogg's in Battle Creek.

cards and dancing. Those present were Miss Judy Tilton, Miss Betty Dolan, Miss Esther Dolan, Ned La Gault, Louis Verrier, Mutt Dolan, Jimmy Allen, Foy Martin, and the hostess, Miss Turner.

Miss Smilson returned to her home in Springfield Sunday.
