STUBBORN RHEUMATIC PAIN
When Irritated by Excess Uric Acid
Thousands take ALLENRU for the pains of rheumatism, neuritis, lumbago or rheumatic backache when irritated by excess uric acid or other circulating poisons. Such excess acid and poisons should soon start to leave your body and thus the terrible agony is often relieved — no opiates. Ask any live druggist in America for an 8 ounce bottle of ALLENRU—a liquid—costs about 85 cents—says this notice.
