

Springfield Downs Coffage Grove 30-22

(CONTINUED FROM PAGE 8)

Williams put the Millers ahead 16-10. Del Smith and George Dugan accounted for a howitzer and a gifter to threaten again. Pollard, on a tip in, put the Millers ahead 18-13 at the end of the third quarter.

Pollard opened the last quarter with a tip-in to give Springfield a 20-13 lead. B. Smith and Hennebeck each accounted for one pointers. Pollard got a charity shot to give the Millers the longest lead until the end of the game—22-16. D. Dugan on a tip in and McCready on a freethrow made the score 23-18. Hocker on a lay-in closed the gap to 23-20. B. Smith dropped in a gifter but Newton retaliated with a howitzer from mid-court. McCready, in the last minute of play, dropped in two from close in.

Rex McCready led the scorers with 10 points. Smith and McCready played excellent floor games for the winners with Pollard covering both backboards.

Dugan and Newton were the outstanding players for the Groves.

a chance to tie for the pennant by beating WSC and Idaho in four games, if Washington tumbled the Orangenemen in one of two meetings.

Although we really feel Oregon State has the better team, we still think Hobson's hoopsters would have better luck against Southern California. But Bill Hoadley, local bowler, fisherman and oil man who has recently returned from California, reports that the Trojans play the same style of basketball as Gill-coached teams. We were inclined to believe Sam Barry was turning toward the fast-break offense. At least that's what publicity has intimated.

Sad Tales: The Citadel spent \$350,000 for a new field house and now can't afford to pay the light bills for night practice. . . . set shot from the side to knot the count at 11-all and then put the Saints ahead 12-11 with a freethrow. Marshall's one-pointer gave Eugene a 12-12 halftime tie.

Marshall's field goal from the key on a fine pass from Abe Hathaway and Hathaway's free-throw were the only Eugene points in the third period. George Sertic and Kuppenbender both talked on followup shots to give the Saints a 16-15 lead going into the final canto.

Blatchley took a pass from Bruce Frye and scored from outside the key to put Eugene ahead 17-16 in the first minute of the fourth frame. At the four-minute mark Kuppenbender drove in close and scored to make it 18-17 for the Gaels. Sertic, who had been guarded nicely all evening, took a long pass from Dion to score from under the hoop and the Saints held a 20-17 lead with three minutes remaining. Thirty seconds later Blatchley missed two gift shots on Taubenkrau's fourth foul. Then followed Blatchley's shot that closed the gap to one point in the final thrill-packed 90 seconds of wild play.

Missed freethrows were costly for both teams. The game was bitterly contested, with the action getting rough in spots.

In a preliminary game the Eugene "B" squad handed the St. Mary's second team a 38-17 thumping after holding a 19-10 halftime lead.

Camp Creek Residents To Plan Construction Of Community Hall

(CONTINUED FROM PAGE 8)

CAMP CREEK, Feb. 23.—(Special)—Plans for the construction of a community hall, to serve as a meeting place for clubs and community events, will be held at the Camp Creek schoolhouse Friday at 7:30 p. m. At this time, the cost, equipment and type of building will be decided.

The building will be used for basketball games and skating parties, as well as other types of meetings. It will also include a kitchen. A committee will be appointed to carry out the plans formulated at the mass meeting. Although the building of the hall was originally sponsored by the P-T. A., it is a community affair, rather than the project of any one organization.

Truck Crop Growers Hold Meeting Here

(CONTINUED FROM PAGE 8)

Truck crop growers attended a meeting at the Four-H club building on the fairgrounds Wednesday and listened to discussions on varied topics. The meeting was sponsored by the Lane County Horticultural society and O. S. Fletcher, county agent, co-operating. "What Is New in Truck Crop Production," was the general topic.

F. E. Price, agricultural engineer at the State college, spoke on new developments in irrigation of truck crops and gave a report of irrigation efficiencies; R. E. Stephenson, professor of soils at the college, spoke on fertilizer for truck crops; a report was given by County Agent Fletcher on Lane county trial of fertilizers on green beans and Carl Robertson, field man of the Eugene Fruit Growers' association, gave a report on Lane county experiences with boton in 1939.

There were all in the forenoon, and in the afternoon A. G. B. Bouquet, professor of vegetable gardening at the college, spoke on what is new in truck crops; E. A. McCormack, manager of the Eu-

Methodists To Hold Victory Dinner

(CONTINUED FROM PAGE 8)

To celebrate the freeing of the church debt, members of the First Methodist church will hold a victory dinner Friday at 6:30 p. m. The dinner is being sponsored by the Women's Union. Dr. George P. Winchell will be toastmaster.

The program will include numbers by the I. O. O. F.—Municipal band; community singing led by Glenn Griffith; a talk by Prof. Charles G. Howard on "United Methodism"; roll call of the 17 organizations in the church and contributions by each to the entertainment; a song by Madam Rose McGrew; singing of "Taps" by the Wesley club; and prayer led by R. A. Booth.

Guests are asked to bring their food downstairs, and then wait in the Sunday school auditorium until the dinner is ready. The Women's Union is providing the meat, and those attending will bring covered dishes. Members of Divisions 1 and 7 and the officers will serve on the hospitality committee; members of Division 2 will place the food on the table; Division 3 will seat the guests; Division 4 will receive the food as it
