Rebekahs Clean Hall
The local Rebekah members have been working several days in the past two weeks on their hall and the different organizations meeting there appreciate their efforts in making the lodge room comfortable and homelike. The carpet has been cleaned and re-laid, furniture turned about making more room. The doors have been made to swing outward complying with fire regulations. In the kitchen the wood range has been moved to the downstairs hall and cooking will be done on an electric grill. Tables have been moved around giving more room for work for the committee in charge of the refreshments and food sales. The entire hall has been cleaned.
