'CAUSE I LEARNED ABOUT A REAL COFFEE VALUE!'

"Here's a smart buy!" my grocer was saying! "It's top grade coffee, superbly blended, perfectly roasted. Popular with thousands of critical folk who like a satisfying mellow-rich flavor!"

Sounded so good that I bought a pound! "Unlike most brands," Mr. Grocer explained, "Airway's delivered in the bean... fresh from nearby roasting ovens. No fancy package, no costly delays, so you're money ahead!"

Only with roaster-to-grocer delivery and this grand coffee cost so little! "But remember! Unless you thoroughly enjoy coffee... it costs you nothing! This, and every pound, is fully guaranteed!"
