CHICAGO GRAIN

CHICAGO, Oct. 21—(AP)—In the absence of any new trade developments over the week-end, wheat prices today moved listlessly through a narrow range.

There was some hedging from the northwest as well as scattered profit taking, which caused prices to dip about ½ cent at times, but this was offset by short covering attributed to an elevator interest and possibly some mill buying. Reports indicated prices were not high enough to stimulate increased country sales or withdrawal of loan stock although the amount of grain going into storage under loans has diminished. Some No. 2 red wheat sold at 92½, or 11½ cents over the basic loan rates here.

Wheat closed unchanged to ⅛ higher compared with Saturday, December 85⅛-¼, May 84⅛-¼, corn ¼ off to ¼ up, December 60⅞-½, May 61½; oats ¼ higher.

BOSTON WOOL

BOSTON, Oct. 21—(AP)—(U. S. Dept Agr)—Business was slow in the Boston wool market today, but there had been a good demand for fine and half blood territory wools up to the close of last week. Graded French combing length, fine territory wools were bringing mostly $1.02-$1.07, scoured basis, while original bag lines were bringing mostly $1-$1.05, scoured basis. Medium grade, territory wools were quiet with quotations on combing wools ranging up to 90 cents, scoured basis, for three-eighths blood, and 85 cents for quarter blood. Mixed three eighths and quarter blood, bright fleeces were sold recently at 45-46 cents, in the grease, but demands were slow on lots held at 47 cents and above.

New York Markets

By VICTOR EUBANK

NEW YORK, Oct. 21—(AP)—Stocks generally held to a do-nothing groove in today's market.

It was a sluggish session, with transfers running to around 350,000 shares, and prices for the most part were too narrow to give any real meaning to ticker tape variations.

An assortment of recent industrial favorites never did get ahead and, after a hesitant start, mild irregularity prevailed to the close. While fractional declines were liberally sprinkled over the list, a handful of specialties managed to make a relatively good showing.

Behind most of the time were U. S. Steel, Republic, Youngstown Sheet, Chrysler, General Motors, U. S. Rubber, Sears Roebuck, Montgomery Ward, Du Pont, Allied Chemical, Eastman Kodak, American Telephone, Western Union, American Smelting and Texas Corp.
