WAKE UP YOUR LIVER BILE
 Without Calomel—And You'll Jump Out of Bed in the Morning Ready to Go
 The liver should pour 3 pints of bile into your bowels every day. If this bile is not flowing freely, your food may not digest. It may just decay in the bowels. Then you bloat up your stomach. You get constipated. You feel sour, sick and the world looks pink.
 I took those good, old Carter's Little Liver Pills to get those 3 pints of bile flowing freely to make you feel "up and up." Get a package today. Take as directed. Amazing in making bile flow freely. Ask for Carter's Little Liver Pills, 10¢ and 50¢.
