CHICAGO GRAIN

CHICAGO, Jan. 13—(AP)—Wheat prices fluctuated nervously over a ¾-¼ cent range today, dipping at one stage as much as ⅝ cent, but the market closed slightly higher than Saturday.

An increase in the receipts at some terminals, particularly at several interior markets in the southwest, caused some of the weakness. Good demand, however, came from mills and other interests involved in flour or cash grain business as well as from dealers who were reinstating lines sold out last week.

Wheat closed unchanged to ⅜ higher compared with Saturday, May 86⅛-¾, July 82¼-⅜; corn unchanged to ¼ lower, May 62⅛-¼, July 62⅜-½; oats ⅛-¼ down.

New York Markets

NEW YORK, Jan. 13—(AP)—A handfull of rails, utilities and specialties successfully contested light selling in today's stock market while numerous leaders nodded at slightly lower levels.

Prices were uneven at the start and efforts to work up a definite trend thereafter generally were unavailing. Fractional irregularity persisted to the close.

Transfers for the full session approximated 500,000 shares, one of the smallest 5-hour turnovers in more than a month.

Stocks ahead now and then included Great Northern, Pennsylvania, U. S. Steel, United Aircraft, American Telephone, Continental oil, Goodyear and Montgomery Ward. Celotex Preferred went into new high ground for 1940-41. Both classes of Certain-teed improved.

Backward were Bethlehem Steel, Inland Steel, Chrysler, General Motors, Douglas Aircraft, Westinghouse, American Smelting, Texas Corp., International Harvester and American Can.

Mothers' Club Discusses Hot Lunch Program; Dorcas Circle Plans Benefit

CRESWELL, Jan. 13.—(Special)—Numbers by the grade school orchestra under the direction of Miss Coggins opened the program at the postponed meeting of the Mothers' club Friday afternoon at the schoolhouse. Other numbers included a reading by Miss Harrold, a play by girls of the Girls League under the direction of Mrs Myers and announced by Lucile Kent, a quartet by the teachers, Mrs. Ingram, Miss Spencer, Miss Anderson and Mrs. Larson accompanied by Mrs. C. I. Kent and a talk on 'Ceylon" by Mrs. C. L. Camp.

Mrs. J. T. Kerr presided at the business session at which 40 members were present. The hot lunch committee reported that the average number of lunches served each day were 100 and that more supplies were needed. The cash contributions were all slow about coming in especially among the high school. Plans were made for relief work. Food will be solicited, and clothing and sewing will be done at the schoolhouse all day Friday, Jan. 17. The program committee for the next meeting consists of Miss Anderson, Mrs. L. H. Brown, Mrs. M. O. Wicks, Mrs. E. O. Smith, Miss Harold and Mrs. H. L. Stott. Those on the refreshment committee are Mrs. C. I. Kent, Mrs. R. W. Stone, Mrs. M. C. Redding, Mrs. J. F. Rose, Mrs. Earl Luckens, Mrs. Cardwell. Refreshments were served.

To Serve Luncheon

The Dorcas circle of the W. S. C. S. of the Methodist church will serve a benefit luncheon at the church annex Wednesday, Mrs. Frank Sly, chairman. The missionary group will meet at 10 o'clock and an executive meeting of the W. S. C. S. will be held immediately following the luncheon. The regular business meeting and program will begin at 2:30.

Regular practices for the three-act comedy, "The Adorable Age," to be presented by the Little Theater club at the W. O. W. hall Saturday evening, Jan. 25, are under way. It is a royalty play. Dale Ziniker is the director.

The lesson at the recent meeting of the Presbyterian missionary society at the home of Mrs. W. E. Dunford was on "China" and a general discussion was held. Mrs. F. D. Lacey presided and presented a questionnaire on the lesson. Eight members were present. Refreshments were served.

Governor Requests No More Taxes

(CONTINUED FROM PAGE 1)

levying new taxes or by diverting part of their present taxes to the general fund. The taxes they now pay are used for building and maintaining roads. The governor also recommended stricter regulation of log-hauling.

Appointment of an administrator for the workmen's compensa- from laws designed to bring about more efficient management, he said. The governor also approved the proposal to abolish jury trials in appeals from awards by the industrial accident commission.

The school tax equalization proposal, defeated last session, would equalize school taxes within counties. The net effect would be that richer districts would help support the poorer districts.

Governor Sprague said the building program for state institutions, to cost $300,000 a year for six years, would relieve overcrowding, particularly at the state hospital. He also asked that institution employes be given an eight-hour working day.

The governor asked the legislators to try out the experience rating system under the unemployment compensation law. This proposal, opposed by labor groups, provides that employers who have dismissed few employes shall pay smaller payroll taxes, while higher taxes would be assessed against employers who dismissed many employes.

Other recommendations include:

Enact a constitutional amendment to restore voting rights to penitentiary inmates who have served their seftences, give the governor authority to organize a state guard to replace the national guard, which now is in federal service, give the game commission full power to fix seasons and bag limits, permit people utility districts to sell their bonds to the federal government by negotiation, adopt a pension system for employes of the state, counties, cities and districts.

Governor Sprague criticized the federal government for its "continued invasion of the powers of the state," but he said the states may justify their existence if they "do a superior job of legislation and administration."

He warned that Oregon must plan ahead to bring about permanent prosperity, asserting that the present prosperous times are not stable because they are due to "liberal federal expenditures for rearmament and to the rapid consumption of exhaustible resources."
