

Christian College Students To Give Play

"There'll Always Be An England," a three-act play written by Sadie Packard, Northwest Christian college student, will be presented by the N.C.C. Players Monday and Tuesday, May 26 and 27, and Wednesday, June 4. The play will be given in the chapel building at Eleventh and Kincaid, on the college campus, at 8 p. m.

Conley Silsby is the director. Those taking part are Ruth Jennings, Jimmie Ballinger, Thelma Vaughn, Herald Haskell, Wayne Osborne, John Stone, Nola Lee, Geneva Bacon, Marcelle Matthews, Dorothy Ralstin, Enid Lynn, Ivan Correll, Jimmie Jones, Larry Baird, Al Paget, Eileen Rahn, and Diane Gallagher from Edison school.

Gleemen Directors Re-elected Tuesday

At the annual meeting of the Eugene Gleemen, Tuesday evening, Alton F. Baker and Earl M. Pallett were re-elected to the board of directors. The directors will meet later to name officers for the coming year. The meeting Tuesday was held at the First Congregational church parlors. The Tuesday meeting closed the spring season for the chorus.

TWO SMALL FIRES

Two small fires brought out the engines Tuesday. The roof of a woodshed at 1824 Agate was afire at 1:21 p. m. Tuesday, but was extinguished with only slight damage. A flue fire occurred Tuesday evening at the home of Mrs. Denton, 460 Monroe. There was no damage.

Auto Supply Company Moves Into Brand New Location

Heralding the new and much larger quarters of the Eugene Western Auto Supply company store, now located at 59 Eleventh avenue east, as one of the most modern and completely equipped accessory stores in the west, a sensational three-day new location sale will offer motorists and homemakers hundreds of extra savings, according to Clarence Urey, manager of the local store. "The tremendous reductions on high quality auto accessories, tires, batteries, and efficient home appliances such as washing machines, refrigerators, radios, and numerous other items is our way of ex-

pressing appreciation to our thousands of Western Auto customers whose confidence and ever-increasing patronage have made necessary and possible this new, modern store," Urey declares. "Every detail such as shelves, display stands, cafeteria bin top tables and other fixtures has been scientifically designed to adequately present each of the store's many thousand different articles for the customer's personal selection, and the building itself has been especially constructed to suit our firm requirements." Other features of the new location include the newest in modern lighting arrangements, a larger, brighter sales floor, and a spacious drive-in installation service shop aptly equipped to efficiently handle any installation need. "The addition of the roomy installation shop is, we believe, one of the most important features of the new store," states Urey, "and one that our customers will undoubtedly appreciate. Aside from the convenience of having merchandise installed most economically, our customers will benefit by the service of trained installation men who know how to install merchandise properly to insure the best performance and satisfaction."

Mayor Proclaims Pet Parade Day

two bicycles as grand prizes for the best boy and the best girl entry. Veri A. Smith, grand marshal, has completed his gigantic organization task and everything is in readiness for the mid-year Christmas for Lane county's younger set. Judges, secretaries and supervisors have been fully instructed regarding their jobs. The Eugene city police and Boy Scouts of America are ready to patrol the parade route. The Eugene Motorcycle club will be on hand to assist the directors in speeding up the judging which starts promptly at 9 a. m. The parade will start forming at 8 o'clock and will start promptly at 10 a. m.

The Medo-Land creamery has been working overtime to prepare the serving of more than 2500 hungry youths. The management of four local theaters—McDonald, State, Heilig and Rex—is prepared to accommodate all of the paraders at a free afternoon show. Eugene school principals, under the direction of Maurice Weis, will supervise the crowds at the end of the march—Frances Willard playground.

Additional vital information, including a map showing the route of the parade and the list of prizes, will appear tomorrow. The official list of entries will appear the next day. Nine-tenths of the population of India live in villages remote from political activities. Canada, in 1939, produced 1,384,827 long tons of steel ingots and castings, compared to 1,155,190 long tons in 1938.

When we consider these facts, there must pass through your mind, as there does through mine, the thought that if Hitler tries his invasion of England, he is bound to get troops into the country—and probably a considerable number—by aerial means. That he could land enough to make the invasion a success seems highly doubtful, in view of the British preparedness, but he certainly could cause a lot of trouble. One satisfaction the British may get out of the present situation is that any equipment which Hitler loses over Crete will be just so much gravel for the army which is guarding Mother England from invasion. From the German viewpoint, even if they fail in taking Crete, they will have had invaluable experience for future operations. Man learns of war by making war.

Home Demonstration Unit Sets Meeting at Mapleton, Friday; 4-H Amateur Night in Evening

MAPLETON, May 21.—(Special)—The last meeting of the home demonstration unit will be held at the new residence of Mrs. Walter Huntington Friday afternoon, May 23, at 1:30 o'clock. Mrs. Huntington is the project leader.

A 4-H club amateur night and rally will be held at the high school gym Friday evening, at 8 o'clock. R. C. Kuehner will present a film of 4-H club activities. Anyone may enter the amateur contest. Admittance will be allowed those who have purchased a booster pin. Mrs. Gordon Camp and Mrs. Wes Whiteaker are at Baker where they are representing the local Rebekahs at grand lodge.

Band Plays
The grade school rhythm band under the direction of Miss Bennett made its first public appearance when they took part in a 4-H club program at the high school recently. Each player was costumed in a yellow and blue cape bearing the emblem "M" and a military cap. The melody was carried by the orchestra bells, recorders and the piano. Clifford McCulloch conducted the large group of members who were as follows: Eugene Goude, Burton Knowles, Richard LeBar, Morley Lindsey, Leroy Pearl, Donald Randolph, Lewis Torricellas, Norman Wheeler, Wayne Crawford, Norma Christy, Virginia Christy, Dorothy Gay, Maryline Krush, Marlon Morton, Margie Reed, Patty Lee Rickard, Tom Enright, Delbert Lawson, Carl Marvin Price, Harrison Webber, Donald Williams, Edwin Wilbur, Margaret Dotson, Joyce Penselin, Dulce Smith, Gloria Beck, Elvin Mead, Jim Mason, Ramona Mae Miller, Margie Mae Torricellas, Ronald Prindle and Elizabeth Fredericksen.

Teacher Group
The Western Lane Teachers and 4-H Club Leaders' association entertained the school board members, janitors and bus drivers and their wives of the Florence, Cushman and Mapleton districts at a barbecued steak dinner at the Mapleton picnic grounds Monday evening. Two games of softball were played preceding the dinner. A business meeting was conducted by the president, Al Johnson. It was decided that the present officers should continue to serve until an election is held at a September meeting. Those in attendance were: Miss Kathryn Orthuys, Miss Evelyn Hagg, Tommy Thompson, Miss Margaret Wies, Alfred Johnson, Mr. and Mrs. Howard Reppeto, Mr. and Mrs. Bill Wilcox.

METEORIC STONES
One of the best tests in determining a meteoric stone is by its weight. Made up largely of iron, its heft is vastly greater than that of a terrestrial rock.

HOW TO GET THE MOST FOR YOUR MATTRESS MONEY . . . Lesson #2

COMFORT BEGINS HERE

Little coils, like this, are the starting point in building the *Luxury Comfort* that has made Beautyrest famous. There are 837 of them in the full size mattress . . . each one in a separate cloth pocket. They are not tied together, so each coil acts independently . . . when one is depressed it doesn't pull down surrounding coils. Because of this independent action Beautyrest coils don't sag . . . they simply "mold" themselves to the shape of your body. They give you the most glorious comfort ever built into a mattress. Church Council Plans Vacation Bible Class

Plans for the daily vacation Bible school this summer and for a church leadership training school next fall were discussed at the meeting of the community council of religious education Tuesday evening.

The vacation school will open shortly after the close of the school year.

The First Christian, First Baptist, Central Presbyterian and First Methodist churches are co-operating in holding the course in central location downtown.

Thomas Fisher's offer to provide instruction in games and recreation for the instructors in the course was referred to A. B. Cromwell, chairman of the committee.

Dr. S. E. Childers, reporting on the leadership training school, stated that the course will open October 13, and will be held each Monday evening until November 17.

Mrs. C. M. Wood reported that the enrollment in the week-day church school this year was 1025 pupils from Lincoln, Frances Willard, Whiteaker, Edison, Condon and Washington schools. Miss Clara Bettef, treasurer, reported that about \$187 would be needed to meet expenses for the rest of this school year, and Oscar W. Payne was appointed chairman of the committee to provide for special offerings in the churches for this project. Major C. Ford, chairman of the budget committee, stated that the budget for next year is \$1285, slightly more than this year.

Henry S. Howard and Wayne Jensen reported for the Eugene Church Athletic association.

For the first time, the Eugene Interdenominational Christian Youth Council was represented at the community council meeting. Miss Juanita Johnson and Dunbar Norton were represented by
