Church To Observe Anniversary Sunday

The fiftieth anniversary of the founding of the Sunday school of the Fairmount Presbyterian church will be observed at 9:45 Sunday morning. The guests of honor will be the three generations of scholars attending the Sunday school in the community.

Another feature of the Sunday school hour will be the combination of the Children's day program and the closing of the vacation Bible school which was held from Monday till Friday of this week. The school opened Monday morning and closed its work at 11:45 Friday morning. Classes for all ages of children were provided and the older children were given simple manual training projects as their handicraft work. Ninety-two children were enrolled and the average attendance was about 50 for the week. A program and exhibit of the children will be shown at 8 o'clock Friday evening.

A sacred concert is to be given by the McKenzie river valley chorus Sunday morning at 11 o'clock. The pastor will give a brief sermon on "the Church and the Child." A covered dish dinner will be given by the women of the church after the service.
