Large Cased Openings Replaced With Arches
Large cased opening, such as are found between rooms in older residences, are readily replaced with graceful arches. After the wooden casings have been removed, the form work for the arch is easily constructed of perforated sheet metal, which can be had in most any desired shape and to fit openings of various widths and any wall thickness. With these shapes is combined the protective beading for the angles. Metal beading is also provided for the corners of the sides of the openings. As soon as the metal shapes are nailed in place, the job is ready for the plasterer.

Mrs. William Stevens and son Larry of Myrtle Point are visiting with her parents, Mr. and Mrs. F. D. Lacey.

Few Home Owners Care To Look Ahead

Few home owners care to look ahead to cold weather, but many household jobs are more easily handled during the current season. To postpone them until necessity makes the demand acute is only adding to the difficulty.

One such problem which should be faced now is in the case where dampness appears on the inside surfaces of exterior walls as a result of conditions of air or moisture leakage through mortar joints or around window frames. In some cases such dampness is so pronounced that frost can be swept off the walls during prolonged cold spells. It causes wallpaper to become loosened and stained and has similar damaging effects on other wall decorations. In addition, it creates a damp musty atmosphere in the rooms affected, which is unhealthful and generally unpleasant.

Miss Pearl Bunn who has been here the past two weeks visiting her sister, Mrs. Roy Brown and family has left for her home at Cheney, Wash.

The loggers at Camp 5 are now on the "hoot-owl" shift and will continue to be until the humidity is higher and the hot weather subsides. This is a method safeguarding against fire.

TODAY'S RECIPE

By NEA Service
June brides can jump on the good hostess bandwagon just as soon as they unpack the gleaming new gift coffee-pot and the shining silver sandwich tray. Iced coffee drinks and delicate sandwiches are hot weather go-togethers that make entertaining easy and inexpensive.

Coffee Frappe
(Makes 4 Servings)
Four cups freshly-made coffee, chilled, 1/2 cup cream, 1/4 cup powdered sugar, 1-8 teaspoon ground ginger, 1 egg white.

Place all ingredients and some cracked ice into a beverage shaker and shake well; or beat all ingredients together with egg beater. If a richer drink is desired the egg yolk may be added. Pour into tall glasses 1-3 full of ice.

Iced Mocha
(Makes 4 Servings)
Four tablespoons chocolate syrup, sugar to taste, 4 cups freshly-made double strength coffee, 2 cups cold milk.

Blend chocolate syrup with the coffee; sugar to taste. Chill. Add cold milk, stir, and serve with whipped cream in tall glasses.

Fan-American Coffee Float
(Makes 1 Serving)
In a beverage mixer, place 1 cup of freshly-made coffee (chilled) and 1 scoop of vanilla, chocolate, butterscotch or egg nog ice cream. Beat for 2 minutes. Pour into tall glass and serve with a spoonful of whipped cream. Dust with cinnamon.

Thin slices of buttered white bread rolled around 2 tufts of crisp, slightly salted watercress make an ideal "hostess" sandwich for hot days. Cream cheese, mashed with a suspicion of minced olives to a smooth creamy consistency, makes a delicate sandwich spread. The meat of an avocado mashed with a few slices of tomato, finely chopped, and seasoned with lemon juice, salt and pepper, is another refreshing sandwich idea for the porch party.

Crisp salted crackers spread with cream cheese dotted with currant jelly are easy to prepare and always welcome. Cubes of American cheese and salted crackers make a popular service. Peanuts are abundant. Serve a bowl of them with your coffee and sandwiches.

Benefit Held
A benefit dance was held at the Point Terrace hall Saturday evening. The proceeds will be used to purchase a new piano. The Peckham orchestra donated its services. The Rebekah lodge held its second meeting of the month last week at the Odd Fellows hall. The state president, Mrs. Myrtle McAlpin, was present. Also present were four visitors from Florence and four from Eugene.

Mrs. Mabel Burbach and Mrs. Anna Moore were initiated. The floor work was exemplified and refreshments were served at the close of the meeting.

The Mapleton district of the Siuslaw forest has had but one fire develop from last week's electric storm. This fire is located near the Wells creek guard station on the Umpqua. It was confined to a few snags and logs. Henry Sindt and Charles Bernhard were sent from the Mapleton five-man crew to help control this fire. Due to the critical situation in the Willamette forest Theodore Morris was sent to work in that district temporarily. Lee Smith is taking Morris' place on the Siltcoos Lookout. Jack Doyle is temporarily employed on the five-man crew. The weather has been clear and dry in this district except along the coast where there is considerable fog. Sunday, Siltcoos Lookout reported the atmosphere clear, making it an ideal observation point for visitors.

From Shedd

SHEDD, July 21.—(Special)—Graveside services were held at the Pugh cemetery on Saturday at 7 p. m. for Irvin Brock who died at Salem Thursday. Krugon's Merit. There are hundreds of residents of this section... yes, perhaps thousands, who would not hesitate to speak a good word for KRUGON every occasion, it has meant so much to them. KRUGON made a fast friend in me when I gave it a trial, said Mr. T. L. Fleming, Shawnee, Oklahoma. "I regret I did not have Krugon long ago," said Mrs. Henry Kitzel, Wausau, Wisconsin. "I never experienced better results than with Krugon," said Mr. Gilbert O. Lovre, Huron, South Dakota. These are a few more of the many praising statements which have been freely given by actual users of this modern capsule remedy... And when you too are in need of a laxative-action herbal remedy you should enjoy the COMFORT - PROMOTING effect of KRUGON. Krugon is sold by Hiron's Everybody's Drug Store, 888 Willamette, Eugene, and by leading druggists.
