New York Markets

By VICTOR EUBANK

NEW YORK, July 21.—(AP)—A last-minute buying rush for rails and steels today put driving force behind the stock market and favorites bounded up 1 to more than 3 points, many at the highest marks for 1941.

Advances were well distributed throughout the session in more active dealings than recently. The pace attained speed in the final fifteen minutes or so and transfers were around 900,000 shares compared with 420,000 last Friday.

The ability of the rail avearge to break through the resistance area from which it had frequently been turned back in the four successive weekly advances of the list as a whole brought strong bidding from the chartists who had been waiting for this "confirmation."

Climbing business indicators, brokers said, still provided the principal argument for bullish contingents and, while most were skeptical regarding taxes and spreading governmental industrial controls, the feeling was that corporation profits possibly would be able to surmount these barriers.

Bolstering steels was an increase in this week's mill operations of .7 of a point at 97.9 per cent of capacity. Adding the carriers were opinions of observers that railway net operating income in the third quarter might reach $100,000,000 monthly, which would enable a number of roads to resume dividends and insure regular payments of others.

Property Owners Protest Carnival

Protests arising from property owners regarding the location of the West Coast Amusement company's carnival on the Frances Willard school grounds, July 20-27 threatened to result in a suit to bring injunction against the company Monday.

A special school board meeting was expected to be called Monday evening at which time the matter will be discussed. If the school board refuses to oust the carnival, Gordon Ramstead, attorney, declared he would file suit on behalf of his clients, on the basis that the carnival constitutes a health menace to the children who will be using the grounds next year.

The Eugene Pageant association signed a contract with the amusement company after an offer was made from the school board and the city council for the use of the grounds. Later both the council and the school board rescinded their offer.

Pageant Programs Available Tuesday

Official programs for the Oregon Trail Pageant will be out Tuesday for public consumption, it was announced today by Pageant officials. The programs, which contain the entire and official schedules for all events during the Pageant week, will be sold for 25 cents each, and may be mailed to any part of the United States on payment of postage charges.

The complete list of participants, dates of the events, times, and chairmen of all committees and programs are listed.

Distributors for the Pageant will call at individual homes with the programs, in order to ensure each person a chance to purchase one of the souvenirs of the Pageant for 1941.

Open House Slated At Willamette Park

To celebrate the American Legion convention and the pageant week, and to get more people acquainted with enjoyment at Willamette Park, the park will be open free to the public Monday, Tuesday, Wednesday and Thursday nights. Good music and wholesome entertainment will be provided. Come and get acquainted.

On Friday and Saturday nights, the famous orchestra of Floyd Ray, an all-colored band, known as the colored Fred Waring in musical circles, will be at the park.

Flying time from Miami to Nassau is 80 minutes.
