You probably have heard over the radio of a bill now in Congress curtailing the selling of automobiles on the payment plan and if passed will go into effect within 30 days, this means that buying a car on payments after this bill goes into effect will require more down and less months to pay, making it difficult for some to purchase an automobile.

Due to This Fact

WE HAVE MADE ARRANGEMENTS TO SELL YOU A CAR WITHOUT A DOWN PAYMENT.
There is no red tape to this offer. The only requirements are that you live within 50 miles of Eugene and have approved credit.
We have a good stock of reconditioned cars at present and we have not been forced to raise our prices as yet.
Due to existing conditions we reserve the right to stop this offer without further notice.
