New York Markets

By VICTOR EUBANK

NEW YORK, Jan. 21 —(AP)— Stock market resistance levels were softened a bit today with a recurrence of pressure on steels, aircrafts and industrial blue chips and losses of fractions to a point or more were established over a wide front. Volume was around 600,000 shares.

One of the firmer share performers was Patino Mines which edged up a point or so at one time. The stock has been prominent lately in connection with reports of elarged shipments of tin from its mies in Bolivia to the United States to make up in part for supplies cut off by war in the orient.

Du Pont and J. C. Penney slipped to new 1941-42 lows. Others in the minus division included U. S. Steel, Bethlehem, Chrysler, Douglas, United Aircraft, American Telephone, Westinghouse, Dow Chemical, Du Pont, Union Carbide, Eastman, Standard Oil (NJ), Southern Pacific, Southern Railway, and Santa Fe. Bonds yielded some of their gains scored earlier in the week.

CHANGE OF ADDRESS
In Making Change of Address please give former address as well as the new. This is necessary in order that your credit can be transferred and the paper stopped at old address.

Accommodation Accounts

THE Register-Guard carries about ten thousand classified ads a month. Naturally it is impractical to charge 10,000 small ads on a 30-day basis. The accommodation account is our method of handling them.

ACCOMMODATION account privileges are extended to established residences of Eugene who have telephones listed in their names and who have no unpaid ads against them. (Transportation, Situation Wanted, and Business Opportunity ads cannot be accepted on this basis).

ADS are NOT charged to your phone. The phone is merely used to identify you as an established resident.

DUE to the tremendous number of these small invoices payment is due within 10 days after the ad expires. Please favor this courtesy by paying these small items on the first statement, thereby keeping your "accommodation account" clear and ready for your next ad.
