MORE CHITTEM BARK WANTED

ATTENTION BARK PEELERS:

If you get gyped on the prices as several peelers have told me—it is not my fault. You should have asked where Miller is before you sell as I have been the price booster for the past 30 years. If you are a new comer—ask your neighbor; he will tell you where to get the most money for your bark. Remember I am not only boosting on bark but on anything you have to sell in my line. Wool, Mohair, Metals, Sacks, etc. For my reference ask your own banker.
