Some offerings of 48-50 cents grease basis were reported from mills for bright medium wools but dealers reported very little wool available from the country at these prices. Some scoured eight-months Texas was sold at a price range of $1.18 to $1.20. Territory wools were inactive.

New York Markets

By VICTOR EUBANK

NEW YORK, July 21—(AP)—Rails, steels and specialties were propped by further light investment demand in today's stock market although many leaders were unable to attract a following.

Turnover approximated only 250,000 shares.

Gains for favorites ran to a point or more at the best. Trends wavered in many cases after mid-day and minor losses were well distributed in the closing hour. Bonds tilted forward in spots.

Santa Fe went into new high ground since 1939. Paramount Pictures common and preferred touched new peaks for 1942. In front most of the day were Atlantic Coast Line, U. S. Steel, Bethlehem, American Telephone, Allied Chemical, Boeing, Glenn Martin, Sears Roebuck, International Rubber and U. S. Gypsum.

Lacking climbing stamina were Western Union, Anaconda, Kennecott, U. S. Rubber preferred, Pullman, Westinghouse, General Electric, Johns-Manville and United Aircraft.

Earnings statements were none too pleasing. General Electric had to contend with a six-months' showing of 72 cents a share against 90 cents in the 1941 period.

Springfield

500 Pickers Wanted To Sign For Bean Crop

SPRINGFIELD — With heavy picking slated to begin in about three weeks, the Springfield Bean Growers association, through their president, A. R. Cockerline, have announced that 500 more pickers will need to register before that time. Approximately 500 have already signed with the growers, but Mr. Cockerline urges that others get in contact either with him at 20F21 or with Bernhard Fedde, attorney for the association.

Mr. Cockerline also announced that the growers will not be able to furnish transportation to the pickers this year. Many fields have good camping grounds adjacent, he added, and persons who desire to do so can stay on the grounds throughout the harvest, thus avoiding the need for transportation.

Pickers this year will be paid a cent and three-quarters per pound with a bonus of a quarter cent for every pound, provided that the picker stays through the entire harvest.

FROM SAN DIEGO

SPRINGFIELD—Regular meetings of both the post and the ladies' auxiliary of the American Legion will be held at Legion hall Thursday evening at 8 o'clock.

LOST AND FOUND

SPRINGFIELD—The city police department reports that three ladies' purses and a green billfold are being held awaiting identification and claim by their owners. Two of the purses were found at the carnival on Saturday night, the other was picked up on Main street.

YOUNGSTER STARTS FIRE

SPRINGFIELD—A fire started by a three-year-old youngster who was playing with matches did an estimated $40 damage to the automobile owned by Mrs. Rosie Meyers Monday afternoon as the vehicle was parked at Sixth and G streets. Mrs. Meyer's young son was responsible for the blaze which was extinguished after the city department had been called. The boy escaped unhurt.

Materials that were never used before will go into post-war vehicles, engineers say. They will include more aluminum and plastics with impregnated color.

Symphony on Russia at War Well Received

NEW YORK, July 21.—(AP)—From a small tin can that arrived in the United States from Russia not long ago came the symphonic story of the Soviet Union at war—a story of bombs and shells and blood and death—but with ultimate victory its theme.

It was at the western hemisphere premiere of Dmitri Shostakovich's new seventh symphony, and Arturo Toscanini's baton led 110 members of the NBC symphony orchestra to bring to the American radio audience the voice of its ally across the sea.

For 73 minutes, the moving and majestic score set down by the Russian composer even as he labored as a firefighter in besieged Leningrad was broadcast in this country and by shortwave to the world.

The work portrayed a peaceful people beset by war, their massing to resist and, in its final movements, signified victory with a rushing, martial theme.

The applause of a distinguished studio audience was evidence that Shostakovich, who said in a special radiogram that "my music is my weapon" had done his work well.

Their acclaim, too, was for Toscanini's direction of the orchestra that played from photographic copies made from a microfilm of the original score brought here by airplane and motor car from Kuibyshev, Russia, in a tiny can.

In his message to the western hemisphere audience, the composer said his symphony was being played "on a day when freedom-loving nations are waging battle against the common enemy—Hitlerism."

"When I was working on the seventh symphony," he said, "my thoughts were of hatred for the enemy and love of people—of the trials of progressive mankind and our coming victory. I wrote my symphony in my native city of Leningrad in those days when the enemy tore at the gates of this beautiful city."

RAF Bombs Nazi Submarine Works

LONDON, July 21.—(AP)—Many squadrons of British fighters swept over France Monday afternoon in swift follow up of an overnight bombing of the German submarine works at Vegesack.

Boston bombers also attacked a power station in northern France, it was said authoritatively.

Vegesack is 10 miles northwest of Bremen.

"Three of our bombers are missing from these operations," the air ministry said.

The blow against northwest Germany was the fourth in as many days, having been preceded by three daylight smashes against the Ruhr and submarine construction centers at Luebeck and Flensburg.

House Agrees on Funds for OPA

WASHINGTON, July 21.—(AP)—The house agreed Monday to provide $120,000,000 for the office of price administration as it adopted a conference committee's recommendation to settle differences with the senate in a $1,858,939,000 deficiency appropriations bill.

The OPA allotment amounted to $45,000,000 more than the house had voted originally but $5,000,000 less than voted by the senate, $41,000,000 less than the figure approved by the budget bureau, and $75,000,000 less than the total amount sought by Leon Henderson, price administrator.

Approval of the conference committee's report came on a standing vote of 96 to 5.

The measure now goes back to the senate, where quick approval of the conference committee changes is expected.

The action came after Rep. Taber (R., N.Y.) declared that Henderson, "in his estimates for money, called for absolutely ridiculous set-ups. He has an absolutely incompetent force, and he himself, I believe, is totally incompetent. He believes in the crack-down policy of the NRA, rather than an appeal for patriotic cooperation."
