The 10 best league bowlers at the U-Bowl and Recreation alleys during the first half of this winter's kegling are topped by Roy Northam with 193. Figures compiled over the weekend show:

Two men made the grade on both alleys, Oscar Quinn, who rolled 183 upstairs for first place and same through with the same average downstairs; and Ed Riley who averaged 182 upstairs and 190 at the U-Bowl, to take second place behind Northam.

The U-Bowl list follows: Roy Northam, 193; Ed Riley, 190; Ossie McPherson, 188; Chet Goodman, 187; Norm Newman, 183; Oscar Quinn, 183; Ed Johnson, 183. With the exception of Dotson, who rolled in the Moose league, all the others made their high averages in Super league play.

The Recreation "ten" includes: Oscar Quinn, 183; Ed Riley, 182; Charles Harvey, 182; Bob Wetzel, 179; Jack Jeffries, 178; Les Hensler, 177; Hal Young, 176; Rolla Browning, 175; Berry, 175; Don Siegel, 174. The first three are from the Southern Pacific team of the Major league, with four more of the ten also competing in the same league.

The "Sucker's League" met again Sunday evening at the U-Bowl, with Virg Jones and Bob Wilshire winning two series out of four. The handicapping system has undergone a few changes, we understand, and Roy and Ossie McPherson may try again next Sunday night.

U-BOWL—With two weeks to go the Pin Twisters mixed doubles team leads the Social League by one game, 26 won, 10 lost, just ahead of the Slips & Slides, 25-11. Following are Ritzy Rollers, 19-17, Spares, 17-19, Hot Shots, 16-20; and Midgets, 5-31.

The Jones boys have the Super league first-place money all wrapped up and ready for Christmas. They are six games in front, and could lose all three Tuesday night without a worry. The race will be between Southern Pacific and Junior Chamber for second place, each with 22 won, 17 lost, not to forget the Oregon State Guard boys who are just one game behind, 21-18. Trailing are Johnsons, 15-24; Richfield, 14-25; and Dotsons, 13-26.

Likewise already polishing off their prize funds are the Penny-Wise ladies of the U-Bowl circuit, with 31 won and only 9 lost, the best team record of the year. With two more nights of play scheduled the standings are: KORE, 24-15; Dotsons, 21-15; Wintergardens, 15-21; C & S, 16-23; Montgomery Ward, 7-32. Dotsons and Wintergardens have one series to make up.

The Moose league is all over and the U-Bowl team came up from third place the last night of play to win the first-half title, ending up with 29 games won, 13 lost. Pooles took second, 28-14, while the erst-while leaders, Health Spots, slipped to third, 26-16.

RECREATION—A double header Monday night will finish the first half for the Willamette league. This is the way they stand with six games to go: Texaco, 23 won, 13 lost; Consolidated, 22-14; Clingman's, 21-15; General Petroleum, 17-19; Danners, 16-20; U-Iino Oil, 9-27. Games won had to be readjusted last week because of ABC rules about teams dropping out. A new outfit, to replace Union Oil, is expected to be formed for the second half.

Springfield Plywoods have risen to a tie for first in the Tuesday night West Coast, with Booth Kelly. Both teams have won 26, lost 13. B-K will play Oregon lumber this week in the final match, while Springfield will try to stave off Eugene Plywood, tied for second with 20 won, 19 lost. Other standings include Veatch, 20-19; Oregon Lumber, 14-25; Mogan lumber, 11-28.

Southern Pacific needs to win only one game Wednesday night to clinch the Major league first half title. The railroaders have won 26, lost 13, while second-place Chiaramonte has 23-16. They will be rolling against each other. Other standings are Cokes, 21-18; Good-year, and Penny-Wise, 18-21; Medoland, 11-28.

DeNeff's have clinched the McKenzie circuit championship with 25 won, 14 lost. They will roll against second-place Beeson-Hall, 20 won, 19 lost, this week. In third was Pk n' Pak, 17-22, followed by Rubenstein, 16-23.

Jack Jeffries posted the high single of the week at Recreation with a 227. Charlie Harvey had high series with 610.

Lloyd Mattison blasted out a 257 for high at the U-Bowl.

Bruins, Black Hawks Tie; Boston in Lead

(United Press) The Boston Bruins battled to a 4-4 tie with the Chicago Black Hawks Sunday night but maintained their National League hockey lead by two points over the Toronto Maple Leafs who trounced the New York Rangers, 8-2. Bombers Blast Fliers 26-13

Billy Sewell Leads Spokane Team Triumph

LOS ANGELES, Dec. 21.—(AP)—The powerful Second Air Force football team emerged as the strongest army grid squad on the West Coast by defeating the March Field Flyers, 26 to 13, before 6000 fans at Gilmore Stadium Sunday.

The Second Air Force Bombers, undefeated this year and slated for a New Year's day game in the Sun Bowl at El Paso, scored in every period but the third, making all their touchdowns on a smooth-clocking passing attack.

The March Field team, winner of seven consecutive games, was no match for the northwest team from Spokane, Wash., although punching over two touchdowns.

Outstanding player on the field was Billy Sewell, formerly of Washington State college, who passed to three of his team's touchdowns, twice to End Johnny Holmes, also of Washington State, and once to Albert Bodney. The other touchdown was on a pass from Hal Van Every to Bill Hornick.

The March Field Flyers punched over their touchdowns in the second and third periods, Bob De Fruiter, formerly of Nebraska, ploughing over in second quarter and Sal Rosato going over in the third quarter.

Chief ground gainer for the Bombers was Van Every, University of Minnesota and Green Bay Packer star, who slashed through the March Field line frequently for long gains.

From the looks of things folks in El Paso are going to see one of the best teams in the entire west New Year's day. They'll be watching the Bombers against Hardin-Simmons' Texas Cowboys. It doesn't look like a very happy day for Hardin-Simmons. The Bombers are one of the best teams to play here all season. They have a stout line and their end play, with Bill Hornick and Al Bodney of Tulane, is a revelation.

The Second Air Force team entrained here today for Tucson, Ariz., to get in some conditioning ticks and plans to reach El Paso about Dec. 29.

Barney Ross No. 1 Mifftman of Year

BY AUTIN BEALMEAR
NEW YORK, Dec. 21.—(AP)—Barney Ross, who won three world championships in the ring but now does his fighting in far-off Guadalcanal as a corporal in the United States marines, is the winner of the Edward J. Neil memorial trophy as boxing's "man of the year."

Although he hasn't pulled on the padded gloves in many months the little Chicagoan was the unanimous choice of members of the New York Boxing Writers association to receive the award given each year in memory of the former Associated Press sports writer who was killed in 1938 while serving as a war correspondent in Spain.

The writers considered no other candidate than Corporal Barney, who only last month stood off a detachment of Japs and protected three wounded comrades all night until help arrived the next day.

Ross, wounded and suffering from shock and fever, refused to be evacuated when his marine unit was ordered to the rear after being isolated in dangerously located underbrush.

Instead, he stood guard over his wounded pals in a fox hole exposed to a hidden machine gun nest. He fired more than 450 rounds of ammunition, pitched hand grenades and prayed. He killed at least seven Japs and his rescuers said he probably got ten more.

His commanding officer recommended him for either the Navy Cross or the army's Distinguished Service Cross.

The Neil plaque, awarded to the man who did the most for boxing during the year, will be presented at the association's annual dinner early in 1943. Members hope Barney will be on hand to accept the award in person.

Prep Hoop Coach Gives Players Workout With Pens

CLEVELAND, Dec. 2.—(AP)—Once a week, during the regular practice period, the Collinwood high school basketball squad lines up at a table to work out with pen, paper and ink.

Letter-writing seems to have no place in cage practice, but Coach Harry Newman isn't forgetting the boys in the armed forces who made up his teams in other years. Sixty-four lettermen are on Collinwood's honor roll.

That's why Newman calls time out every week, huddles his present swiftness around the table and tells them to start pitching words to the school's alumni in service.

Quinn Paces Vandals

WALLA WALLA, Dec. 21.—(AP)—The Idaho-Whitman basketball game here Saturday night started out like a Whitman vs. Fred Quinn, Idaho center, contest.

Quinn tossed in each of his team's first 16 points. Then he let up somewhat, but he counted 23 points altogether as Idaho won 51-19.

Junction City Trips Junior Rubes 27-25

JUNCTION CITY, Dec. 21.—The Junction City Tigers and Don Davenport, veteran guard, stopped the Junior Rubes of Eugene here Saturday night by a 27-25 count with Davenport accounting for 14 points.

The game here followed the Eugene independent team's 33-16 victory over Lebanon high at Lebanon Friday night—the third straight triumph for the Rubes.

The game here Saturday was close all of the way, the scores being 6-5 at the end of the first quarter, 10-9 for Junction at halftime, and 23-21 for the Tigers at the close of the third frame.

Two scores by Wally Mold, who collected 12 points in the game, made the count 25-25, but with two minutes remaining in the game Davenport scored the winning basket from the key and the Tigers successfully stalled the remaining time.

Mold's eagle eye and Al Weinstein and Harold Hagg's ace ball handling led the Junior Rubes against Lebanon.

The Rubes took the lead in the first minute of play, and led 7-3 at the end of the quarter and 13-8 at the half. Bob Hamilton was Lebanon's principle threat, but the Rubes never headed.

Sun Valley Closes Gates Sunday Without Fanfare

SUN VALLEY, Ida., Dec. 21.—(AP)—Sun Valley, the multi-million dollar winter sporting ground for royalty, movie stars and high society, closed quietly Sunday as the last of its 625 employees and 1500 patrons sadly left the scene of former gaiety.

The resort, converted by Union Pacific in 1938 from a sheep ranch into the nation's foremost skiing, tobogganning and ice-skating center, closed without fanfare in the midst of what is usually its best season. It will remain closed for the duration.

OSC Quintet Heads For Eastern Tilts

OREGON STATE COLLEGE, Corvallis, Dec. 21.—Coach Slat Gill and 10 Oregon State basketball players entrained Saturday night on the second annual eastern road trip. Men making the trip were Glen Warren, Mickey Brophy, Don Cecil and Bob Howard, forwards; Erland Anderson and Bob Harvey, centers; and Don Durand, Lewis Beck, Fred Winter and Howard Jeffries, guards. Student manager Vince Jessup will also make the trip.

The Beavers will play five of the strongest teams in the east and Midwest before returning to Corvallis early in January. First game on the road is with City College of New York in Madison Square Garden, December 28. From New York the Beavers will travel to Detroit where they will play Wayne university, December 28.

The next night, December 29, Oregon State will be in East Lansing, Mich., for a game with Michigan State. Powerful Bradley Tech will be host to the Beavers in Peoria, January 1. Winding up the road trip schedule will be a game with Washington university at St. Louis in St. Louis, January 2.

Showing possibilities of having another strong team, Oregon State opened its pre-season schedule at Corvallis last Tuesday night with a decisive 35-18 victory over Willamette university, perennial champions of the Northwest conference. Superior height under the backboards and better ball handling were the deciding factors in the win.

Ace guards Beck and Durand led the Orange scoring with 11 and 9 points respectively. Especially encouraging to Beaver hoop fans was the showing of sophomore forward Brophy who scored six points and played a fine floor game. Warren used his 6 feet, 5 inches to great advantage in taking balls off the backboard.

Cards' World Series Win Big Surprise

NEW YORK, Dec. 21.—(AP)—The sports world furnished its share of the surprises this year, but the biggest one of all came in the World Series, when the St. Louis Cardinals bounced back from defeat in the opener and whipped the highly-favored New York Yankees in four straight games.

That achievement, coming after the Cardinals had nosed out the Brooklyn Dodgers for the National league pennant, was listed as the year's No. 1 surprise today by 39 of the 87 sports editors who voted in the annual poll of the Associated Press.

Twenty-two other voters placed the Cardinals second and 13 named them as third choice, giving the Red Birds a total of 174 points on the basis of three for first, two for second and one for third.

Close behind the Cardinals in the voting came the Holy Cross football team's 55-12 upset over a Boston College team that had romped through the rest of its schedule with a perfect record. Auburn's football upset of Georgia drew only four first-place votes but landed in third position in the final tabulation, ahead of the Washington Redskins, who dethroned the Chicago Bears as kings of professional football in the National league playoff.

Washington Looms As Court Champion

SPOKANE, Dec. 21.—(AP)—Coach Hec Edmundson's latest model Washington basketball team loomed as the team to beat in the northern division conference race today, after two wins over the Vancouver, Wash., Ramblers, strong independent outfit. Washington was to meet Gonzaga here Monday night.

The Huskies hung their second straight defeat on the Ramblers, a team which includes the trio who sparked Oregon State to the northern division title last year, by a 39-10-38 score at Portland Saturday night. The Ramblers trounced Oregon 45-39 on the Eugene floor earlier this season.

Washington dominated play nearly all of the game, leading 22-15 at halftime. In the final eight minutes, Vancouver greeted Washington reserves with a flurry which cut the Washington lead to three points, but the Washington first string was rushed in.

John Mandic, Oregon State center last year, was high with 16 points and Chuck Gilmer, his rival at center, held to four points before, led Washington with 14. Washington won Friday night at Vancouver, 45 to 39.

Washington State and Oregon State have eastern tours before the start of northern division conference play but the present five-game trip is Washington's main pre-season preparation. Tuesday night they meet the Pasco Fliers, who won from the Pendleton Air Base Saturday, 55 to 47, at Pasco and the next night play Central Washington College at Ellensburg.

Ducks Play Bruno Quint

The University of Oregon basketball team, with an unimpressive record of four victories in seven games against independent rivals, closes its "harm-storming" season Tuesday night at Vancouver against the powerful Ramblers, following a game against Bruno Studios in Portland Monday night.

The Webfoots, who beat Wally Palmberg's All Stars 37-30 at Astoria Saturday night, defeated Bruno and lost to the Ramblers in previous meetings here.

Coach Howard Hobson's quintet is expected to be strengthened considerably after the holidays when freshmen will be eligible. Roger Wiley, talented southpaw center, and Ed Dick, rugged forward, are two yearlings expected to see considerable action after the first of the year when Wally Borvik, letterman pivot man, will also become eligible.

The first game in which this trio will play will be here January 6 against Willamette University.
