

Produce Scarce in Local Market

Eugene Markets

Vegetables are getting scarcer and dearer in the local market, especially those the flood waters covered the river bottom lands where most of them are raised. The prices however, remain about the same. Local buyers report that there is little or no cabbage left. The prices of other produce remain unchanged. The list:

Butterfat (Butter Prices) Premium quality (maximum of 26 of 1) per cent acid... Second quality 49 1/2
