Lane Dentists Serve With Armed Forces

The Lane County District Dental society has sent its share of

dentists into the armed forces without seriously impairing the dental service available to the civilian population. It was announced by Dr. S. C. Endicott,

president of the society in a year-end survey of Lane county dental resources. It is estimated that there are 35 dentists normally in practice

in Eugene of whom seven have donned uniforms. You can whip our cream, but you can't beat our milk. Echo Hol-low Dairy. Phone 2935-J-2.
