find new courage because of Lincoln, who did more for the soul of America than any other who has left his mark, Dr. Erb said.

Legislators Honored

Honored especially at the local Lincoln day gathering were Lane county's five legislators—Senators H. C. Wheeler and Angus Gibson, and Representatives Truman A. Chase, Earl Hill, and John Snellstrom, all of whom were present to greet the crowd and briefly highlight the progress of the legislative session. Among their comments it was stated the session is ahead of any past session in work and in legislation disposed of, that the legislature is well aware of the emergencies of the times and is looking to the problems ahead, that an acceptable revenue program will have been worked out by time of adjournment.

Maxey New President

New officers chosen at the meeting, James A. Rodman making the nominating committee report, include: H. Elmer Maxey, publisher of the Springfield News, president; Mrs. T. S. Stansbie of Eugene, vice-president; Miss Patricia Sylvers of Eugene, secretary; Worth Harvey of Cottage Grove, treasurer; Ernest Kennedy of Junction City, sergeant at arms. Day T. Bayly is the retiring president.

Dr. A. Orville Waller presided at the banquet as toastmaster and introduced, in addition to Dr. Erb, the following guests and party workers: Dr. Burt Brown Barker, University of Oregon vice-president, here for the week-end from Portland; C. A. Huntington, Lane county republican central committee chairman; Miss Jeannette Calkins, chairman of the Lane county chapter of Pro America; Clifton Culp, president of the Lane county Young Republican club; Adam Lefor, past state president of the federation of Young Republican clubs; Robert M. Fischer, Jr., state president of the Oregon Republican clubs; Kenneth Nielsen, secretary of the state republican central committee.

Mrs. Sallie Shahan, Springfield, Dies

Mrs. Sallie Catherine Shahan, a resident of Springfield for the last 40 years, died at her home on Friday morning, Feb. 12. Sallie Wheeless was born in Georgia, Oct. 30, 1875. She came to Oregon from Texas in 1901 with her husband, William H. Shahan, whom she had married in Texas.

Besides her husband, she is survived by six children: Oren of Eugene; Mrs. Florence Meats of Springfield; Mrs. Ila Gossler of Eugene; Mrs. Grace Heiser and Mrs. Margaret Sales, both of San Francisco; Mrs. Sophie Skinner of Klamath Falls; and nine grandchildren. Funeral service will be announced later by the Phil Bartholomew chapel.

New York Markets

NEW YORK, Feb. 13—(AP)—Swapping of low-priced utilities in large blocks enlivened today's post-holiday stock market and, while it was more of a churning session than otherwise, leaders generally displayed modest upward trends.

Volume for the short stretch of around 600,000 shares was one of the best in the past year. Forward shifts of fractions, with a few wider moves, predominated near the close.

A number of new 1943-43 tops were in evidence. Among these were American Power & Light, International Telephone, Electric Power & Light, Chrysler, Warner Bros., Sears Roebuck, J. I. Case, Deere, General Electric and Johns-Manville.

Resistant were U. S. Steel, Bethlstem, Southern Pacific, Allied Chemical, International Harvester, Douglas Aircraft, American Can, and Westinghouse. Intermittent losers included American Telephone, Santa Fe, Standard Oil (NJ), Boeing, and Eastman Kodak.

Bonds and commodities trailed over a narrow course.

BOSTON WOOL

BOSTON, Feb. 11—(UP)—The Boston wool market was very quiet this week.

Buyers were generally out of the market for domestic wools until these are available in larger quantities. A few small sales of leftover graded wools were made.

Contracting of wool for spring delivery was reported from Wyoming, Idaho, Montana and Texas. In Texas, both of 8 months and 12 months wools were contracted for at prices figuring a little under ceilings, delivered Boston.

Foreign wools continued to be the main source of supply for manufacturers for immediate needs.

trucks to operate on state highways, and to establish a civil service system for state employes have received action in neither house.

Most of the remaining major bills should begin to receive consideration next week.

The joint ways and means committee is almost finished with its job of drafting appropriation bills, but it will have to reduce many of its tentatively-approved appropriations to prevent a deficit. The appropriation bills ill be introduced in the house.

Highway Bill Defeated

The house defeated a bill today to compel slow drivers on highways to pull over to the side of the road to permit faster cars to pass. It passed and sent to the senate bills to permit cities to set up reserve funds for use after the war, and to compel persons who collected the two-cent cigaret tax, which was declared unconstitutional, to turn 95 per cent of it over to the state.

The house passed a senate resolution to appoint an interim committee to investigate the state board of health, while the senate passed and sent to the house a measure to let counties sell materials and labor to private concerns.
