Hospitals Train—

(CONTINUED FROM PAGE 1)

go to designated locations until they can be moved to their homes. Base Hospital Unit Here

In announcing the training program, the officiating group also states Eugene has been designated as one of the cities of Oregon to have a base hospital unit, affiliated with the U.S. Public Health Service. In Oregon, six such units have been named for the defense area, four in Portland, one in Salem, one in Eugene. This unit will be composed of 14 physicians and one dentist (oral surgeon).

All physicians serving in such a group will be commissioned officers in the U.S. Public Health Service and will be called into active duty only in case of emergency.

This unit also would be called upon to assist the army until the task of evacuation would be completed.

BEGINS WAAC TRAINING

Auxiliary Barbara Frances Yates of Eugene has begun her training at the First Women's Army Auxiliary Corps training center, Fort Des Moines, Ia.

OPA to Emphasize Automobile Sharing

The local war price and rationing board will place increased emphasis on car sharing in considering applications for B and C gasoline rations beginning this week.

The board's statement follows receipt of a letter from OPA mileage rationing officials pointing out that if passenger car mileage is to be reduced to the 5,000-mile-a-year average recommended by the War Relocation Authority, "ride sharing must be made a universal practice."

Car sharing has been a requirement for obtaining supplemental rations to drive to and from work since the inception of mileage rationing, the board said. The newly launched program, to be conducted jointly by OPA and OCD was designed to give impetus to the ride-sharing movement. The Lane county defense council through its local agency will help people form car clubs in each community, the board anticipates. OPA, in turn, through its rationing boards and mileage rationing plan, will provide the gasoline rations to keep car clubs running.

Examining Board To Seek WAAC Candidates

An army examining board working to procure the 100 women needed for the WAAC will visit Eugene Monday and Tuesday, according to word received Saturday by T-Sgt. John T. Costello, recruiter in charge in Eugene.

The group will make its headquarters at his office, 10 Post-office building, where they will interview applicants from 9 a. m. to 5 p. m. both Monday and Tuesday. Women will be examined at the office and complete their enlistment in Eugene if they apply during this period.

The board will include Aux. Marian Feathers of the WAAC, Capt. D. K. MacDougal and Lt. D. C. Dadds.

One of Mark Twain's favorite dishes was saucisencartoffel—sauerkrautkranzwurst, a variety of German sausage.

Blanks for Service Programs Available

Application blanks for the qualifying tests to be held Friday at Eugene high school for the army specialized training program and the navy college training program are now available at the EHS office, Principal Harry B. Johnson said Saturday.

These applications will admit qualified high school seniors or recent graduates to the tests. Each applicant may indicate whether he prefers the army or the navy, which includes the marine corps and the coast guard.

Those who successfully complete the tests will be selected to attend colleges under contract for their respective services. All expenses, including tuition, food, housing, books, and uniforms will be paid by the army or navy.

Prospective students for the training programs will take their qualifying examinations April 2 in the lunch rooms of Eugene high.

Debs Garms was the 1940 National League baseball batting champion.

Convention By Radio Set For Monday At 3

Teachers all over Oregon will be tuned to the Mutual network from 3 to 4 p.m. Monday for the Oregon Teachers' Radio conference, being held this year by radio in place of the annual teachers' convention. KORE will carry the program.

Broadcasting on the program from Portland will be Dr. J. F. Cramer, superintendent of Eugene schools and president of the Oregon State Teachers' association, Governor Earl Snell, and others.

A feature of the program will be a complete report on what the recent 94th session of the state legislature accomplished along educational lines. Topics include "The School as the Keystone to Community Accomplishments in Wartime" and "Post-War School Problems." Discussion will be on teachers shortages, school finance, and curriculum adjustments in wartime.

First four-masted schooner was launched at Bath, Maine, in 1880.

WINS LIEUTENANCY

Announcement of the commissioning of Samuel O. Kyle, Monroe, as a second lieutenant was received here from the army infantry school at Fort Benning, Ga.
