

Federal Attorney Exams Now Open To Four New Law Graduate Groups

The board of legal examiners of the U. S. civil service commis-

sion has thrown open the special federal attorney examination scheduled for June 12 to four additional groups of applicants, according to word received by Frank L. Armitage, Eugene postmaster. The exam was originally limited

ed to attorneys discharged from military service, members of 1943 law school graduating classes, and qualified persons granted disability preference. It is now also open to qualified attorneys and law school graduates not able to take

the 1942 examination because they were: (1) citizens living in war relocation authority centers; (2) those not applying because of imminent induction; (3) persons who have become citizens since Aug. 31, 1942; (4) law school stu-

dents who did not expect to complete law school by Feb. 15, 1943, but who did so by reason of an accelerated curriculum. The postal savings window at the postoffice will provide information and applications.
