WHEN Grandad was raising hogs,
nothing was farther from his
mind than vitamins. But then,
Grandad didn't raise too litters
or get his hogs off to market at
five to six months of age. Now,
I've got the kind of hogs that
will make you a fortune. The mar-
ketable age of five to six months.
... Berkshires, the kind that
will make 100 pounds gain on
400 pounds of feed. The kind
that can be finished and mar-
keted at 150 pounds in years of
feed shortages, or fed to the
heavier weights in times of feed
surplus. I have a number of
spring girls, now bred, and
selection of fall pigs of
either sex. One of these weaner
pigs would make a good Xmas
present, dad. Start your
boy in farming with a purebred
