Cough Relief Is Wonderful
Saves Real Money.
No Cooking. Quick Results.
To get the most surprising relief
from coughs due to colds, you can
easily prepare a medicine, right in
your own kitchen. It's very easy—
needs no cooking, and tastes so good
that children take it willingly. But
you'll say it beats them all for results.
First, make a syrup by stirring 2
cups of granulated sugar and one cup
of water a few moments, until dis-
solved. Or you can use corn syrup
or liquid honey, instead of sugar
syrup. Then get 2 1/2 ounces of Pinex
from any drugist, and pour it into a
pint bottle. Then add your syrup.
This gives you a full pint of really
splendid cough syrup—about four
times as much for your money. It
never spoils, and lasts a long time.
And for real, quick relief, it can't
be beaten. It loosens the phlegm,
soothes the irritated membranes, and
helps clear the air passages.
Pinex is a special compound of
proven ingredients, in concentrated
form, well known for prompt action
in coughs and bronchial irritations.
Money refunded if it doesn't please
you in every way.
