Chamber Asks For Tax Simplification

REEDSPORT — The Reedsport chamber of commerce is all for simplifying income tax blanks, and has taken action on such step following a general discussion of the topic, at this week's meeting. The following resolution was passed regarding the matter:

"Whereas, members of this body have recently received federal income tax return blanks for the year 1943 and are now diligently endeavoring to decipher the same, and WHEREAS, it appears that said returns, together with instructions for preparation of the same are unnecessarily long, involved, and couched in language difficult for the layman to understand, and WHEREAS, it is the unanimous opinion of this body that the income tax law, and the regulations for the enforcement of same should be simplified so that the average taxpayer could understand them, and file his return with a minimum of time, trouble and expense,

"Now therefore, be it resolved by the Reedsport chamber of commerce that this body does hereby earnestly recommend simplification of the federal income tax law and all regulations relative to the preparation and filing of income tax returns,

"And it is further resolved that a copy of this Resolution be forwarded to Senators C. L. McNary and Rufus Holman, and Representative Harris Ellsworth."

Officers Nominated

The secretary was also instructed to forward a copy of the resolution to the Roseburg chamber, suggesting similar action. R. H. W. Leathers suggested a clearing house at some convenient down-town location for the benefit of persons willing to share their cars on trips to adjacent communities. A committee consisting of Leathers, J. C. Diehl, and Fred Wright was appointed to arrange details. Members of the local war price and rationing board present at the meeting applauded the plan, as it should result in a substantial gas saving in the event that car owners will cooperate by taking additional passengers on necessary trips. Diehl and Leathers were appointed as a committee to arrange for the annual dinner meeting on Feb. 15.

Nominations were called for the various chamber officers, the election to be held at the February meeting. Those nominated are Clarence R. Elliott, president; M. W. Thompson, vice-president; H. C. McCrea, treasurer; Charles Manschreck, E. G. Dunn, Frank Taylor and Andy Anderson directors.

The budget as prepared and recommended by the board of directors was adopted together with the recommendation by the directors as to amount of dues to be charged for the three proposed types of membership, large business houses and industrial firms to be requested to pay $25.00 per year, smaller firms $15.00 per year, and individual memberships $10.00 per year.

A general discussion was held concerning the housing question. Mr. Taylor stated that an effort was being made to form a local group to finance the construction of at least five dwellings as a beginning and more later as sales of the completed houses were made.
