

### Program Announced For Symphony Event

Program for the concert of the Eugene Junior Symphony orchestra, to be presented next Sunday, Feb. 13, is announced this week-end by Rex Underwood, director. The program will be played in the University of Oregon school of music auditorium at 3 p. m. that date.

The program essentially is classical, but has much variety which provides the young players with all types of training and musical interpretation. The program is as follows:

Symphony, No. 2, in D-Major (All four movements) Haydn

Rugue Handel

Minuet Mozart

(These last two conducted by Miss Pettit, assistant director of the symphony)

Marionettes Isaac

(A specialty number played by six very young string artists, illustrating pizzicato effects)

In a Chinese Temple Katelyb

(A descriptive tone poem)

Double Concerto in D-Minor, Bach

(Lead parts by violinists, Rex John Underwood and William Shisler, the latter to enter the army soon.)

### Partisans Advance

LONDON, Feb. 5.—(AP)—Victorious partisan forces drove the Germans out of two vital Bosnian towns today, consolidating their hold on the heart of Yugoslavia, while allied motor torpedo boats teamed with other land units of Marshal Josp (Tito) Brozovitch to smash German supply routes by land and sea.

Marshal Tito announced the capture of Vakuf and Kupres, vital commercial centers in central Bosnia, half way between Sarajevo and Banja Luka, which London sources said marked the turning point of the struggle for the entire province.

The twin victory definitely smashed the German drive to separate Tito's forces and opened up new transportation and communication routes between partisan forces beginning a powerful series of offensives throughout western and eastern Bosnia.

Allied motor torpedo boats operating in the Adriatic sank a 350-ton steamer and a sailing boat heading southward to supply enemy garrisons that have been pinched for food and ammunition by partisan attacks on interior rail lines.

### Mrs. Nancy Neal

Mrs. Nancy Neal, 78, died Saturday at the home of Mr. and Mrs. Lawrence Fisher in Lynx Hollow, at Walker. She was a native of Eugene, born here April 18, 1865. She was an active member of the Lynx Hollow community club, and a member of the Methodist church.

She is survived by one son, Frank C. Neal of Walker; five daughters, Mrs. Lillie Renne, Eugene; Mrs. Avis Clark, North Bend; Mrs. Lula Plank, Rogue River; Mrs. Ivy Messenger, Charleston; Mrs. Cora Fisher, Walker; three sisters, Mrs. Ellen LaJoy of Wendling; Mrs. Mary James of Springfield, and Mrs. Annie Sippy of Klamath Falls.

Funeral services will be held at the Walker church, the Schwing mortuary of Creswell in charge. Interment will be in the Walker cemetery.

### Flames Kill Infant

SEATTLE, Feb. 5.—(AP)—There was a blackened, splintered baby crib tossed out on the lawn of the home of Mrs. Charles Tittle, 19, wife of a navy baker, from Las Cruces, N.M., tonight as tragic reminder of the sudden flash of flame which burned to death the Tittle's six-months-old daughter, Monty, today.

The father is on duty in the Aleutians, and neighbors were caring for the hysterical mother tonight. The accident occurred shortly after the arrival of friends, Mrs. Alice Grove and her father, Stanley Brown, of Port Townsend, Wash. They said the blaze apparently started from an electric vaporizer alongside the crib in which the baby was being treated for a cold.

### WLB Again Defied

DETROIT, Feb. 5.—(AP)—Top leaders of the Mechanics Education society (Ind.) announced late today that they "certainly will not" obey a war labor board subpoena ordering them to attend a hearing at Washington Monday and show cause why the board should not invoke sanctions against 25,000 striking members of the MESA in Michigan and Ohio.

Secretary Matthew Smith and MESA President George White openly defied the board again late today after the U.S. marshal's office here had served them with subpoenas ordering them to appear at a hearing scheduled for 10 a. m. Monday.

PORTLAND, Feb. 5.—(AP)—The war labor board will obtain a federal court order to bring defiant officials of the Mechanics Educational Society of America to Washington if they ignore WLB subpoenas, a spokesman for the board said tonight.

### Plane Output Steady

WASHINGTON, Feb. 5.—(AP)—Chairman Charles E. Wilson of the aircraft production board reported that 8789 planes were delivered in January and said the month's output was "particularly gratifying" because of a marked increase in heavy four-engine bombers and long-range fighters.

January production in numbers was about the same as December—when the total reached 8802—but the weight of airplanes produced last month increased by 5.4 per cent, reflecting the new emphasis on heavier aircraft, Wilson said.

Wilson said that in January virtually every aircraft company met or exceeded its schedule. He described this as "perhaps the most remarkable feature of the January record." Only a very few plants were behind schedule, and these only slightly, he said.

Of the planes produced in January 82 per cent were tactical planes—that is almost all types of military planes except trainers. Wilson said 89 per cent of these tactical planes were combat types.

### Soldier and Publisher Listed in Primary

SPRINGFIELD, Ill., Feb. 5.—(AP)—Petitions entering Gen. Douglas MacArthur and Col. Robert R. McCormick, publisher of The Chicago Tribune, as republican presidential candidates in the Illinois preferential election were filed today with the secretary of state.

The petitions were among the first to be offered on the opening day for filing nominating papers for national, state and district offices in the April 11 primary. The deadline for filing is midnight, February 21.

Both men were entered without their specific consent.

### 2 Convicted in Slaying

OREGON CITY, Feb. 5.—(AP)—Two convicts brought from the state penitentiary to stand trial for the holdup shooting of Ralph Dahlen were convicted of first degree murder today.

The pair, Henry W. Merten and Walter L. Wilson, will be sentenced Monday. The jury did not recommend leniency, making a death penalty mandatory.

Dahlen was shot last July during a hold-up of an Oak Grove tavern. Merten and Wilson, convicted of the tavern robbery and sentenced to life under the habitual criminal act, were indicted for first degree murder after Dahlen's death months later.

### Youth Council to Meet

Eugene Youth Council is meeting Monday at 7:30 at the county courthouse in the Lane county courthouse, for the purpose of electing an executive council. Member organizations of the council have been notified by letter to recheck their delegates, and it is hoped to have all represented at the meeting.

Kenneth Shumaker heads the council as its new president, with A. F. Holmer as secretary. Shumaker succeeds Winfield Atkinson, who resigned to enter military service.

### AUXILIARY TO MEET

Auxiliary to the B. of R.T. will hold a practice meeting for officers and drill team Sunday at 2:45 p. m., at the Knights of Pythias hall.

ACCOMPANIST for the Eugene Gleeman chorus is Mrs. Cora Moore Frey, above. The group gives its annual mid-winter home concert Tuesday evening, all proceeds to be turned over to the county infantile paralysis fund.

### Dry Leader Assails New Deal

ST. PAUL, Minn., Feb. 5.—(AP)—Bishop Ralph S. Cushman, president of the Anti-Saloon League of America, charged today that the Roosevelt administration has failed to keep promises it made when liquor was repealed.

The bishop, who has held the post of leadership in the temperance group for the past six years, said the league was not interested in a return to national prohibition.

"That is blacklisted in the minds of the American people," he said in an interview. "We do not intend to get ourselves into the position where the wets can say we fostered the bootlegger."

Bishop Cushman said that on December 5, 1932, President Roosevelt promised the policy of his administration would be to see that the political and social evils of pre-prohibition days would not be revived, that a failure to do so would be a reproach to the nation.

"This promise," the bishop said, "has not been kept. There has been no curb on the liquor industry. We have the saloon back in a worse form. An advertising program exists today and has been fostered by the administration which would not have been tolerated in pre-prohibition days. How long can the administration keep its respect and fail to keep its promises?"

Bishop Cushman said the Anti-Saloon league is willing "that those who already have acquired the legitimate taste for liquor should be satisfied."

"Our objection," he added, "is that the administration has encouraged the increase of consumption."

TRAFFIC ACCIDENTS

CITY police Saturday night announced two traffic accidents which occurred shortly before noon and caused only minor damage. A collision involving vehicles driven by Mrs. Electa S. Ferguson, 684 Willamette, and Gerald W. Riley, Rt. 2, Springfield, took place at Seventh and Olive at 11:05 a. m. Fourteenth and Hlyard, at 11:43 a. m., was the scene of the crash of cars driven by Robert L. Nichols, 192 Potter, and John Fiscus, 870 Sixteenth Avenue east.

The Rialto, principal bridge in Venice, was built of marble in 1590 at a cost of more than \$500,000.

### RATION CALENDAR

Clip this rationing calendar and attach it to your ration books.

**MEATS AND FATS**  
February 26—Brown stamps V, W, and X, Book 3, expire.

**PROCESSED FOODS**  
February 1—Green stamps K, L, M, Book 4, became valid.  
February 20—Green stamps G, H, and J, Book 4, expire.

**SUGAR**  
February 1—Sugar stamp 40, Book 4, became valid for five pounds' canning sugar.  
March 31—Sugar stamp 30, Book 4, for five pounds, expires.

**SHOES**  
Stamp 18, Book 1, and Airplane stamp 1, Book 3, each good indefinitely for one pair of shoes.

**FUEL OIL**  
February 8—Period 2 coupons in fuel oil rations expire. Period 3 coupons expire March 14.

**GASOLINE**

**NEW ADDRESS**  
The local war price and rationing board is located at 29 Eleventh Avenue west. Telephone 4697.

### Ford Declares—

(CONTINUED FROM PAGE 1)

the desire of certain greedy people to destroy competition.

The industrialist said there is no reason why we should have large-scale unemployment after the war. "No one should be idle," Ford asserted, "if we keep our feet on the ground, think straight and learn to work things out for ourselves without relying too much on the government. We have the machines and the knowledge to build good products. Our people here, those in Canada, South America, Europe and elsewhere will be eager for them. If industry can keep busy, there will be jobs and security for all."

### Casualties Estimated

NEW YORK.—(AP)—The Metropolitan Life Insurance company said its statisticians estimated that about 6,000,000 men, most of them Germans and Russians, had been killed in battle by the end of 1943.

United States battle losses, including men dead from wounds and probable deaths among the missing, were estimated at 43,000. In addition, several thousand Americans have died under Japanese imprisonment.

AIRLINE PILOT RECEIVES RECOGNITION: After flying General Douglas MacArthur on several missions in connection with United Air Lines' military transport operations for the air transport command, Captain Weldon E. "Dusty" Rhoades, 37, one of the airline's veteran pilots, has been chosen as the general's personal pilot. Rhoades has flown over every section of United's Pacific coast and coast-to-coast routes in his 10 years with the company.

### Gesture to Bolivia

SANTIAGO, Chile, Feb. 5.—(AP)—Diplomatic observers said today that "there is a movement among South American nations to reach a basis for recognition" of the new Bolivian government.

(All American republics, with the exception of Argentina, have refused to recognize the La Paz revolutionary junta.)

These sources said that the Chilean foreign office might assume the initiative and contact other American chancelleries in connection with the movement.

### TIMBER WARNING ISSUED

LAKEVIEW, Feb. 5.—(AP)—Present cutting rates will exhaust all privately-owned timber stands in the Lakeview area within three years, E. O. Cliff, Fremont national forest supervisor, warned today.

Nearly 40 per cent of the supply of tin in the U. S. is used to produce rustproof and corrosion-proof containers to carry food and medical supplies to the war fronts.

### Avenge Bataan Day

"Avenge Bataan Day" will be observed Tuesday throughout the state, and citizens of Lane are urged to express their indignation against Japan by increased purchase of war bonds.

In announcing the observance, the Oregon war finance committee said that war department records show 17 Oregon soldiers are known to have died in Jap prison camps, that 11 others and nine civilians are prisoners. The army believes the dead were tortured to death or died of ill treatment.

Those reported to be dead include these Lane county men: Cpl. Ernest H. Dudley, Lorane; Pvt. Mark E. Kirk, Rt. 2, Junction City; and Sgt. Donald D. Starr, Marcola.

### Accident Kills Three

WHITE SALMON, Ore., Feb. 5.—(AP)—Three persons were killed and 20 injured in a head-on collision near Biogon, Wash., tonight.

The dead were William Frank M. Gilliam, 44, driver of the truck, and two passengers.

Five of the injured were hospitalized at Hood River and others were taken to Portland.

The common nettle now in Great Britain is made of special quality paper.

Latest military uniforms Hungary are made from spun from the fibers of wool.

**RUTH WHEELER**  
announces  
*The Linda Line*  
in APRONS for every mood... gay and saucy... bold and perky... quaint and demure... and clever matching Mother-and-Daughter styles. Every one is hand-tailored of fast-color fabrics.

Mrs. Wheeler has returned from a scouting trip to Los Angeles and San Francisco. During the next months there will be new and interesting lines in the shop to interest you.
