

It means something to all these people when you buy a War Bond

WHEN YOU BUY a War Bond, it affects a great many people.

FIRST, it buys weapons for the American boys overseas.

SECOND, it encourages our fighting allies, by demonstrating that the American people are in this scrap to the finish.

THIRD, it brings cheer to the starving and oppressed in Nazi-occupied territories,

because it means a quicker end of hunger and tyranny.

FOURTH, it discourages Hitler and Tojo—and is a punch at the morale of the German and Japanese home fronts.

FIFTH, it helps to guarantee peace and liberty to future generations of Americans.

AND THE BLANK SPACE? Put *yourself* in that picture. For when you buy a War Bond,

it certainly means as much to you as to anyone else in the world.

It's a wonderfully advantageous way to invest your money. It pays \$4 for every \$3 you put in. It's *safe*. And it'll give you a financial nest egg—a nest egg you can use after the war for such things as buying a home, educating your children, and traveling.

So buy more War Bonds right now—**TODAY!**

Let's all KEEP BACKING THE ATTACK!
