Real Estate for Sale 200

Nudeel-Hoovey

We have nearly 150 farms listed
for sale, but none listed
with the "Land Use Com-
mittee" of the "Lane County
Agricultural Council" said that
no new owners should rent or
"work out" for at least a year
before buying.

We have sold over 100 places this
year to newcomers. Should we
have told them to go on back
home or work as a hired hand for
a year? Would this be fair to the
several hundred farmers in Lane
County who wish to sell and
do not wish to rent? Who did
the old pioneers rent from or
hire out for a year - the
Indians? Sounds like a bunch
of nudeels, doesn't it?

Not for Rent

This 45 acre farm, all good soil,
comfortable buildings, is not for
rent, but can be bought for
\$5000. Located just off paved
highway. Big 5-room home, old
orchard, fair barn. About 26
miles from Eugene. Come in for
full particulars of this one or
others in the Farm Catalog.

Speaking of Fleas
WE ENCOUNTERED a covey of
"sand fleas" last week. It was
our first, and we trust our last,
experience with these pestifer-
ous insects. Therefore, here and
now, we have decided against
renting ourselves out for a flea
pasture; we shall continue to
sell real estate. So if you have
anything in real estate, city
residence, suburban home or
farm that you want to sell give
us a ring and we'll mount the
mule and be right out to look
it over. P.S.: We're neither
over smart, good looking or too
efficient, but we do manage to
sell a lot of property.
